Don't Just  
Stand Still.*

**6 There's probably a  
many a man setting here  
tonight, that if he'd just  
done what God told him to a  
long time ago, he'd be  
preaching the Gospel  
somewhere.**

Do something. Don't just  
stand still. Get out...?...

If you're not a preacher,  
testify, do something  
somewhere. Don't stand still.

If you're washing the dishes, why, testify to the neighbor.

Get out and pass tracts; do something. Don't stand still.

What is in your hand? Get doing something. And whatever is at your hand, use it.
