Message: **62-0531 - The Conflict Between God And Satan**

166 Let's take Noah for just a minute, before we leave here. I can imagine, Noah, you know, he had some things to go through. I imagine he go down on the street, and saying, "Judgment is coming."

Why, they, "How do you...What kind of a judgment?"

167 “God is going to strike this sinful nation. The sons of God has married into the daughters of Cain, and there they are. Look what you become to. You’re turned from God. You got your great,

religious systems. You got all these things, but God shall strike the earth.”

168 Said, “Poor old fellow, he’s kind of...Just let him alone. See? He’s...”

169 But he had **THUS SAITH THE LORD**. He could prove what he was saying, but they didn’t believe that. See? He had the Word of the Lord.

170 Now, maybe, day after day, and they laughed and

made fun. The children maybe haw-hawed at him.

171 But Noah went right on preaching, anyhow. And all of his family and all the

converts went right on believing, anyhow. All that was following Noah believed Noah. That's right. They had to make their choice, to believe what the world said, or believe what this mighty anointed prophet said.

172 So he said, "Now watch. Enoch is going to leave, one of these days, church. And when it does, when Enoch goes away, we better get in. We're going to miss Enoch. He's going to be

taken up. So, we better get in.” So, they watched closely as the days passed by.

173 After while, God said, “I’ve had enough of their cheering. I’ve had enough of their insults. I’m going to bring it. Take the animals now. Go up there and holler, ‘Hallelujah,’ about five times, and the birds will come flying. All the lions, everything else, will come, two by two. Holler, ‘Praise the Lord,’ about four or

~ 8 ~

five times, and here they'll
come." See?

174 Now, so Noah got
ready. And he...All the

animals went in, and then Noah himself went in. And so when he went in, I guess the last thing he said, was standing in the door and saying, “It’s **THUS SAITH THE LORD**. The last call!”

175 That’s where we’re standing today, brother, at the door of the Ark. Christ is that Door. If you’ll take that literally, and want to work on it a little bit, take over in Revelation, between the Philadelphian and the

Laodicean Age, He said, “I set a door open before you, and you refused it.” See? That’s the hour we’re living, just before the destruction. An open door, but they wouldn’t listen. Now, they turned Him outside.

176 Now, he stood in the door, and proclaimed, “The hour is at hand that when the Word of God that I spoke will be fulfilled.” That’s right. Into the ark he went.

177 And when he went into the ark, you know what? God shut the door. Oh, my! Nobody had to shut it. God shut it. That was all. The last chance to be saved was gone.

178 So, I'd imagine, the kids got arm in arm, around that, about a five-hundred-yard ark there. And the old folks walked around and said, "Well, that old fellow will smother to death in there." See? So, on, making fun of him, just the same, made

jeering. And you know, every person...

179 Now listen. Maybe this will help you. Listen close. When you take God's Word, and follow God's Word, there is many times, that, after you've already done all you can do, your faith is put to a test. There nobody here but home folks. I'm standing on that ground right now. That's right. I don't know what to do. The revival is over. You see? I don't know where the next call

is. I'm just—just standing, nervously looking, wondering what's next.

180 Noah went in. He followed the will of God. God shut the door behind him, but it never rained for seven more days. Wonder what Noah thought, all that time in there? Noah setting in the ark, the door shut. He thought, “Just any time, children, you’ll hear it. We’ll pull the door, the lid up here on top.” They was up on the top floor, you know.

The animals on the bottom, the birds in the next, and they was on top. That sun...“Oh, in the morning, there’ll be—there’ll be something over there, a darkening, the rain will come.” But, the next morning, up come the sun.

181 Maybe some people, that kind of half way believed Noah, might have went up there and stood around the ark, said, “You know what? That old man might have been right. We better stand here.”

Well, then they “seen a mistake.”

God’s prophets make no mistake. God’s Word can’t fail.

182 You heard me preach on, about Jonah going to Nineveh. They said he was backslidden. He sure wasn’t. He was right in the will of God. Exactly. He had the Word of the Lord, and he walked in It.

183 Here, Noah said, “Now, children, all of you get around, and you’ll see the first

cloud that ever come in the sky. It'll come over, in the morning." Well, the sun come up. "Well, maybe by nine o'clock. We'll watch at nine o'clock. Ten o'clock? Eleven o'clock? Twelve o'clock? Three? Four? Five? Six? Whew! He shut the door yesterday, too."

184 Some of them said, "Well, you know what? I'm going to agree with Sister Susie down there in that great...in her big church. That

old man is crazy. See? He went up there and shut that door, and said, 'The rain was going to fall,' and there he sets. And, then, there's nothing to it. See? Sun come right up, went on across like it always did. No such thing as rain." So, them lukewarm, half-way believers, half-hearted, that's not willing to take God, plumb down to the end of the road, live or die! You see what I mean?

[Congregation says,
“Amen.”—Ed.]

185 Stand in your fortified condition. Live or die, sink or drown, stay right there just the same.

186 When Abraham, the father of the faithful, pulled out the knife, pulled the hair back on his child's head, to cut his throat, he said, "I'm persuaded that God is able to raise him up from the dead, in the figure that I feel him in." He was willing to follow the

Word of God to the end. You get it? [Congregation says, “Amen.”—Ed.]

187 No matter what it is, stay right there. If everything seems to be, you can't go one inch farther, go that inch. And if you hit the wall, stand there until God makes a way through it.

188 First day passed, second day passed, third day passed, fourth, fifth, sixth. You know, Noah had a lot to do. I imagine some of his

congregation said, “Dad, do you think that we ought to climb out the window? Think it was all a mistake?”

189 He said, “No, no, no. Who was That that took Enoch? Who was That that closed that door? Who was That that done all them things before us? If He’s led us this far, and shut us in, let’s stay with Him.”

190 That’s it, Church. If He’s brought us up out of the world, and led us this far, and

shut us in with Him, with the Holy Spirit all around us, in us, and through us, let's follow Him on through. That's right. The time will come. The time will come. Let the scoffers say what they want to.

191 Then, on the seventh day, that morning the people was out in the streets. They had never seen such a thing. Clouds was coming up, great roars of thunder, lightning flashing across the skies. By seven o'clock, great big drops

of rain begin to fall, for the first time, on the face of the earth. I imagine the birds was squawking. Every nature was all tore up. Men begin to wonder, and say, "Get out your scientific instrument. Try your radar. Tell us. What's this all about?" But it wouldn't work. "We never seen anything like it in all of our life." Well, about noontime, the streams had begin to swell. By the next morning, the rivers, the deep had broke up.

192 About the first three or four days, the waters was all over the streets, the floods. The people were coming up around the ark, beating on the door. “Open up!”

193 Noah was riding right along on the wave. She got about twenty-something feet, I believe the Bible said, the ark picked up off the—off the

ground, begin to rock its way along.

194 They climbed to the highest peak, hung to the

highest branch. They screamed. And everything that had nostrils to breathe, perished, that wasn't in that ark. Everything that breathed died. They could scream for mercy, they could cry, but they had spurned God so many times until there's nothing to do but bring His justice. And His justice was judgment.

But you see what happened to them back there, who believed? They was secured. Abraham was just as safe as he could be.

Amen.

So was Moses; no plagues bothered him or Israel. Neither did it bother Noah. Enoch was taken up before it ever happened, stand up on the banisters of Glory, watching it go on

152 But just before the change time, God came down in omnipotence and done the miraculous. That's why people talk about me and say the things they do. That's why they talk about all Christians that believe that.

153 **But you see what happened to them back**

**there, who believed? They
was secured.**

**Abraham was just as
safe as he could be. Amen.**

**So was Moses; no

154 If you're here this
morning, without Christ, know
that your soul is not right,

while you have your heads bowed. I wish you would, to God. I don't know when I'll ever speak to you again. But we're at the junction. If you want to be remembered in prayer, to God, would you just raise your hand to Him now? God bless you, sir. God bless you, sir. You, you. Yes, God bless you. Many of you, dozens of hands.

*Because, they had things that
they did, that shows that we
haven't never come to that
place, yet, in science*

Bro. William Branham

Message: **54-1006 - Law Or Grace**

16 Remember, now, they had been taught. They had been down with the Egyptians, which was the smartest. We haven't got doctors, today, as smart as they were. Because, they had things that they did, that shows that we haven't never come to that place, yet, in science. For instance, the

Egyptians built...Just a few days ago, I passed by the sphinx there, to look how big that thing was.

17 And those pyramids, why, up there, over a city block high, in the air, there is

tons. There is boulders up there almost as big as this tabernacle. They couldn't put them up there today if they had to. So, they did it some way.

18 And then, the sphinx, I think it takes sixteen flatcars for its leg to lay on. What about its body? And it sets way in the air there. How did they get it up there? See, they were—they were people that had secrets, intelligence that we don't have today. I think we have it, but we just haven't advanced with it, atomic or something like that; because, electric powers, or no powers like that, could lift it. But they built it then.

~ 6 ~

19 And that pyramid, the
big pyramid setting there,

geographically, is so perfect in the center of the earth; no matter where the sun is, there is never a shadow around it. Engineering, we got a lot of...long ways to come, to compare with them. And, to think, that's been more than right on five thousand years ago, they had that.

20 So, in there, they find the Bible, just the same as this Bible here, written in there, just by measurements and so forth, measures out

the Gospel and the Scripture,
just like we have It here.
Enoch put it in there, years
and years before the
antediluvian flood.

21 And, then, God wrote three Bibles. God does everything in threes. He wrote three Bibles. He had three comings of Christ. There is three dispensations of grace. There is three persons in the Godhead...three manifestations of the one Person in the Godhead, rather. And all those things. See?

22 Now, like Jesus came the first time, He has been here once (hasn't He?), He

come to redeem His Bride. He comes the second time to receive His Bride, catch her up, meeting in the air. And comes the third time with His Bride, as King and Queen.

23 See? So then, then, there is three also, the three in

the manifestations of God. God manifested Himself once in the Fatherhood, as He led the children of Israel. The next time God manifested Himself was in the Sonship, the Lord Jesus Christ. The third time God manifested Himself, is with us now, the Holy Spirit. See, three manifestations. Everything in the threes.

24 Now let's get over in our lesson. How many likes to read the Bible, and just...[Congregation says, "Amen."—Ed.] Oh, I just love It.

Remember, Noah wasn't the type of the Church; Enoch was, that didn't go through the tribulation, but was translated before the tribulation set in

*When all hell turns loose, all
Heaven turns loose, also*

Bro. William Branham

Message: **56-0115 - The
Junction Of Time**

28 Look at it today, what we're living in. (Not speaking against honorable women. No, sir. They're God's instruments.)

But those who cares not for themself; how there is so many on the opposite side, going about, "marrying, giving in marriage." God said so, in the Bible. Jesus said, "Before

Noah's time," at the end, "they were marrying and giving in marriage."

How the great turmoil is in the world today! And we realize that.

And one thing that caused that, the Bible said that the spirits (great spirits) came down, evil spirits, and got into these people and done these things. And we see the same evil spirits working in our day.

29 And now notice again, that, not only that. **When all hell turns loose, all Heaven turns loose, also. When the enemy comes in like a flood, the Spirit of God raises up a standard against it. And these two forces is always showed at the junction.**

30 Now, as we see that the time that Nimrod had brought all the confederation together, and made all people come to Babylon and come

into this great confederation, and the time of all the evil going on between the women, sexually, and so forth; **at the same time, God had a witness on the earth: Enoch, who walked with God, blameless.**

And at the same time that evil was appearing, angels appeared on the earth. Angelic beings moved in to man.

31 Very beautiful type of today, also. As the evil is

~ 6 ~

**appearing, so is good
appearing.**
