Title: *Testimonies By Billy
Paul Branham*

(Billy Paul Branham, the firstborn son of Reverend William Marrion Branham, was born in 1935 in Jeffersonville Indiana.)

**THE LORD KNEW
SHE MOVED**

Bro. Branham said, "If you hear me say anything in the name of the Lord, and it's not that away, don't you believe nothing I ever told you."

Bro. Collins said, "I never heard nothing like that in the seminaries."

He said, "And when he did, he come out with another night or two. I got up a little closer, where the tape recorders was. As I got a little closer," he said, "I looked there, and when I did, there was a lady walked up to Bro. Branham, and she says."

Daddy said, "Good evening sister."

She said, "Good evening."

He said, "Your name is so and so, and you live at a certain, certain address."

She says, "That's right."

Bro. Collins said, "Right behind me there's two women."

One said, "Aw, there's something made up about that."

Said, "Mary, that's Mary up there."

Said, "Yeah, I know."

Said, "You know she don't live there. She lives on Walnut Street."

Bro. Branham said, "You live at 824 Maple, and she said, yes."

Said, "You know good and well that she has. She's lying. We know where she lives."

Bro. Collins said, "Oh, what did I get into?" he said.

He told me, "If you ever hear me say anything and it's

not exactly that-a-way, don't believe nothing I said."

He said, "What is this?"

So he said, "After the service, he got those two woman and got the one that was on the platform, and got them together and he says," "Hi Mary." Hi Jane." "So nice to see you. How are you doing?"

Bro. Collins said, "They do know each other."

Bro. Collins said, "I heard you say, that you didn't live at that address."

And she said, "Mary, you know you don't live on no Maple Street. You live on Walnut Street. You lived there for years."

Said, "Oh, I forgot to tell you, I moved the day before yesterday!"

Yeah, God don't make no mistakes!

**PLACE: BRANHAM TABERNACLE,

**DATE: WEDNESDAY EVENING
JULY 24, 1963**

12 † I've been in
a lot of interviews this week,
because, Sunday, the
gracious Presence of the Lord
came down. And I was
supposed to have left
Monday.

13 I have... we haven't took a vacation yet, the kids. My vacation comes later, a little later on. But I've want to take the children on a little time. They got to go back and go to school now, and so I thought this week would be a good time. Facing Chicago next week in that meeting there.

14 But then the--the anointing of the Spirit, I thought, "Now is the time to have interviews." Now is the

time that these... that I can get caught up on a few of them there. And there's... I see some of the people sitting present that was in the room. They know whether the Lord met with us or not.

15 † Strange
thing that... everyone besides
some women that Billy put in
just a space just before, some
lady from Louisville, she had a
little girl that was here, I think

they really belong to the Church of God in Louisville, or something. **But every case, every one of them that come in, before I left home the Holy Spirit told me who would be here, what they'd ask. And I wrote down on a piece of paper and said just what they would ask and their questions the way they'd ask them, and how they'd be answered. Then I'd tell them, "Here's just what you... look now, a few minutes ago here,**

what the Holy Spirit..." Reach over on the desk and say, "See? He told me this before you ever come." See? But while I was up at the house, who would be there and what it would be, what their attitude would be, and all about it, before I even left home.

16 † I seen the
time, many time, when I would
be coming down the road,
praying, I'd see that prayer

line pass before me and know every name that would be in the prayer line, before I ever got here. That's right. And even know where they was sitting in the church and what they... how they'd be dressed and what they'd look like. You don't tell people everything like that. You... There's things happening you just don't tell them. It's not necessary to tell them. I just tell people things that I think is going to help them, when the Lord presses

me to tell them, say, "Say this." You wouldn't want to tell everything you seen, because that wouldn't be right, you see, you just... of course, you get in trouble and everything else like that. You have to know how to handle those things by the Spirit of the Lord.

ING.HIM_ JEFFERSONVILLE.IN V-8 N-3 WEDNESDAY_

17 † I've had
people stand before me and
ask me questions, I know

exactly, but I wouldn't tell them, because I just felt constrained not to do it. You remember, I believe was last Wednesday night, I preached on A Prisoner. See? See, you want to tell that person, but Something says, "Don't do it." The Spirit says, "Don't do it. Don't do it." Yet a gift is looking right at it, see. "Don't do it. Don't do it." See, so you better not do it; then you're in trouble with God.

*I'll be sitting in the room, sit in
a restaurant, and the Holy
Spirit will tell me things that's
going to happen.*

ME, AND HIS COMMISSION**

**DATE: MONDAY EVENING JANUARY 17,

91 Ever what that was
(you know) that I couldn't
make out, It would come on
me. And I have a way of
knowing things if the Lord
wants me to know it, you
know. And I don't... That's the
reason I say I don't breathe
this out, never before in

public. **If I really want to find out anything, the Lord usually tells me about these things. That's what the gift is for, you see.** So you can't just throw that out before the people, it becomes like casting your pearls before swine. It's a sacred, holy thing, and you don't want to do that. So, God would hold me responsible. Like talking to brethren and so forth, I wouldn't try to find out

something evil about a brother.

HOW.THE.ANGEL.CAME.TO.ME.AND.HIS.COMMISSION_ CHICAGO.IL FOOTPRINT.BOOK MONDAY_

92 † One time sitting at a table with a man, him with his arm around me, said, "O Brother Branham, I love you." And I kept feeling something moving. I looked at him. He couldn't have told me that; I knowed he didn't do it, see, 'cause there it was. He was absolutely a hypocrite, if there ever was one, see, and

right there with his arm around me.

93 I said, "Well, okay," walked away. I don't want to know that. I'd rather just know him the way I know him, as my brother, and let it go like that. Let God do the rest of it. See? And I don't want to... don't know, want to know those things.

94 And many times on these things, it's not here in the church. **I'll be sitting in the room, sit in a restaurant,**

and the Holy Spirit will tell me things that's going to happen. People's right here that knows that to be true. I'll set at my home and I'll say, "Now, be careful, there's a car coming after a while. It'll be a certain, certain person. Bring them on in, for the Lord has said they'd be here." "When we go down the street, there'll be certain things happen. Watch at that crossing there, because you're going to

almost get hit." And just see if it ain't that way, see, every time, just perfectly! So you don't want to throw yourself too much into that, because you'd... It--it's... You can use it, it's a gift of God, but you have to watch what you do with it. God will hold you responsible.

55-0117

HOW.THE.ANGEL.CAME.TO.ME.AND.HIS.COMMISSI
ON_ CHICAGO.IL FOOTPRINT.BOOK MONDAY_

95 † Look at
Moses. Moses was a God-
sent man. Do you believe

that? Predestinated, foreordained, and made a prophet! And God sent him out there, said, "Go speak to the rock," after it done been smitten. Said, "Go speak to the rock, and it'll bring forth its waters."

96 But Moses, angry, run out there and struck the rock. The water didn't come, he smote it again, said, "You rebels! Must we bring you water out of this rock?"

97 You see what God did? The water come, but said, "Come up here, Moses." That was the end of it, see. You have to watch those things, so you... what you do with Divine gifts.

55-0117

*HOW.THE.ANGEL.CAME.TO.ME.AND.HIS.COMMISSI
ON_ CHICAGO.IL FOOTPRINT.BOOK MONDAY_*

98 † Just like a preacher, a good forceful preacher, and get out and preach just to take up offerings and money, God will hold him responsible for that.

That's right. You have to watch what you do with Divine gifts. And, or try to make some big prestige or big name for some church, or a big name for himself. I'd rather have two or three nights meeting and braze on somewhere else, and be humble, and stay down. And you know what I mean. Yes, sir, always keep your place where God can put His hand on you.

This is inside Life now,
remember.

I said, “I’m standing right here, honey. It’s all over now.”

Bro. William Branham

Message: 55-1004 - Come, Let Us Reason Together

About two years, three years ago, Billy Paul got into a habit, got running around there, and that's the reason I had to send him to Waxahachie, to the school. Our public school, with the bunch of little boys and things, all smoking cigarettes and things. And Billy come up

home one day and said, “How you getting along, daddy?”

I seen a vision pop over him. I said, “Come here a minute, talk to you.”

He said, “What is it, Daddy?”

I said, “What are you doing smoking cigarettes?”

He said, “I’m not.”

I said, “Don’t you lie to me, Billy.” He commenced to crying.

Well, he said, “I—I won’t do it no more, daddy.” And he went on out. He kept on doing it. He wasn’t hiding it; he can’t hide it, no, no.

So—and I seen a vision,
and the Lord showed me that
Billy, had disobeyed me, and
had jumped through a
window, and was going

laughing, head over heels, like that, down, on through eternity, turning over and over. And when I come out of the vision, I was screaming to the top of my voice, "Oh, God, don't take my boy. Only boy I have, don't take him, Lord." And I was screaming to the top of my voice. I told Billy.

57 And so, Billy, that day, he went fishing. Been hanging down on the river a lot. There was a man from India, there to

~ 7 ~

see me, and some more
ministers.

And we went down into New Albany with my wife. She had to go down there to get something another. And so, we went down, and I was setting talking to the ministers, and all at once, something said to me, “Get out of the—here, right quick.” I thought that was just my imagination.

And I—I said, “Well now, brethren, we’re fixing to go to India as soon as we possibly can.”

Something said, "Get out
of here, and get to yourself."

And I got out of the car, and I said, “Excuse me, brethren, just a minute, I want to go around the corner.”

And I went around there, and I looked, nobody was looking, I said, “Father, what is it?”

Said, “Go to Billy Paul at once.”

58 And I run back real quick, and Meda was coming up the street, my wife, and I

said, “Hurry honey, hurry.
Something’s wrong with Billy.”

And we run, jumped in a
car, and took out to
Jeffersonville, about five or six

miles. When I went into the yard, my mother-in-law, standing in the yard, screaming top of her voice, said, “Billy’s dying, got him in the hospital.”

So I said, “What happened?”

Said, “Well, he come up down there, and he had a sore throat. And he was afraid you was going to catch him with that sore throat, and tell him, he was still smoking cigarettes. And he went down, and your good friend,” the best doctor there is in the nation, one of the best, “Dr. Sam Adair, gave him a shot of penicillin, and he swelled up about that big, in just about

three minutes. And he run up there, and they wrapped him in blankets, and rushed him to the hospital.”

59 And I run out real quick, here come the doctor down like that, took off his hat, said, “Bill, I’ve killed your boy.”

And I said, “Oh, Doc, surely not.” And I run into the room; they had oxygen over him and everything, and pumping, and giving him adrenalin over his heart. And he was just...Heart going on down, and down. I said could I be with him a moment. And so he just walked out of the room. I knelt down, put my

hands upon him; I said, “Dear God, please. Hasn’t my heart been broke enough in my days? Please, Jesus, oh, God, give the boy another chance. Don’t...Lord, please, I ask you with all my heart, as Your servant, if You’ll spare the life of my boy. He’s so good to me, and helps in the meeting, and he’s so loyal to me. I need him. God, please don’t take him. I—I ask You not.”

60 And I looked, and I saw
a vision of him falling like that,
turning over and over, like it
was a couple nights before

that, when I seen him in the vision. And I seen two big arms come out and catch him, like this, and start bearing him right back up, going right back up, like that. I raised up, and Billy turned around, just as black as he could be. And his lips swelled way out, and his eyes turned real red, and turned back.

He said, “Daddy, where are you. Where are you, daddy?”

I said, “I’m standing right here, honey. It’s all over now.”
Amen.

**55-1004 - Come, Let Us
Reason Together
Rev. William Marrion

I was trying to catch him, you see. And if I... When I finally got his spirit, now, that was the other man, if I ever talked to a low-down hypocrite, there was one of them. He was living... His wife was a black-headed woman, he was living with a blond and had two children by her. Drink, curse, run to taverns, and everything else, and yet in there and speaking in tongues and prophesying.

Bro. William Branham

Message: 55-0117 - How The Angel Came To Me, And His Commission

99 So then this day, I thought, “Well, I’m going to walk up.” And I just so alarm with those people, I thought, “I’ll find out about those men.” And out in the yard I kept looking for them after the service was over. I looked around. I found one of them, I said, “How do you do, sir?”

100 He said, “How do you do!” Said, “Was you the young preacher that preached this morning?”

I said...I was twenty-three years old then. I said, “Yes, sir.”

And he said, “What was your name?”

I said, “Branham.” And I said, “Yours?”

101 And he told me his name. And I thought, “Well, now, if I can just get his

contact of his spirit now.” And yet not knowing what that was doing it. And I said, “Well, say, sir,” I said, “you people have Something here that I don’t have.”

He said, “Have you got the Holy Ghost since you believed?”

I said, “Well, I’m a Baptist.”

102 He said, “But have you received the Holy Ghost since you believed?”

103 And I said, “Well, brother, what do you mean?” I said, “I—I haven’t got what you all got, I know that!” I said, “Because you’ve got Something that seems to be powerful and so...”

Said, “Have you ever spoke with tongues?”

And I said, “No, sir.”

Said, “I’ll tell you right quick you haven’t got the Holy Ghost.”

104 And I said, “Well, if I...If that what it takes to get the Holy Ghost, I haven’t got It.”

105 And so he said, “Well, if you haven’t spoke with tongues, you haven’t got It.”

106 And keeping his conversation that way, I said, “Well, where can I get It?”

107 Said, “Get on in the room there and start seeking the Holy Ghost.”

108 And I kept watching him, you know. He didn't know what I was doing, but he...I knew he had a little strange feeling, 'cause he...his eyes begin to get a little glassy as he looked at me. And he...But he was really a Christian. He was absolutely, rung out one hundred percent, a Christian. That's right. Well, I thought, "Praise God, here It is! I—I've—I've got to get to that altar somewhere."

109 I went out, looked all around, I thought, “I’ll find the other man.” And when I found him and started talking to him, I said, “How do you do, sir?”

110 He said, “Say, what church you belong to?” He said, “They tell me you’re a Baptist.”

I said, “Yep.”

And he said, “You ain’t got the Holy Ghost yet, have you?”

I said, “Well, I don’t know.”

Said, “You ever spoke in tongues?”

I said, “No, sir.”

Said, “You haven’t got It.”

111 And I said, “Well, I know I haven’t got what you all got. I know that.” And I said, “But, my brother, I’m really wanting It.”

He said, “Well, there’s—there’s the pool, ready.”

112 I said, “I’ve been baptized. But,” I said, “I—I haven’t received what you all

got.” I said, “You got something that I—I really want.”

And he said, “Well, that’s fine.”

113 I was trying to catch him, you see. And if I...When I finally got his spirit, now, that was the other man, if I ever talked to a low-down hypocrite, there was one of them. He was living...His wife was a black-headed woman, he was living with a blond and had two children by her. Drink,

curse, run to taverns, and everything else, and yet in there and speaking in tongues and prophesying.

114 Then I said, “Lord, forgive me.” I went home. That’s right. I said, “I’ll just get...I can’t understand it. Seemed like the blessed Holy Spirit falling, and, on that hypocrite.” I said, “Can’t be! That’s all.”

115 During this long period then, me studying and crying, thought if I could get out with

them maybe I could find out what it was all about. Here's one, a genuine Christian; and the other one, a real hypocrite. Then I thought, "What of it? Oh," I said, "God, maybe—maybe there's something wrong with me." And I said, being a fundamentalist, "That'll...have to see that in the Bible. It has to."

116 To me, everything that operates must come out of this Bible or it's not right. Has

to come from Here. It can be proved in the Bible, not just one place, but it has to come all the way through the Bible. I have to believe it. It has to dovetail and tie together with every Scripture or I don't believe it. And then, because Paul said, "If an angel from Heaven come, preaching any other gospel, let him be accursed." So I believe the Bible.

And I said, “I could never see nothing like that in the Bible.”

117 Two years later, after I had lost my wife and everything, I was up there at Green's Mill, my little old place up there, praying. Been back in my cave back there for two or three days, two days it was. I walked out to get a bit of breath, a breath of air. And when I walked out there, my Bible was laying out there on the end of a log just as you

come in. An old tree blowed down, had a fork in it. Now, you...Had a fork laying up like this, and the tree laying down. And I just set astraddle that log, and lay out there at nighttime, looking up towards the skies like that, my hand laying up like this, and sometimes go to sleep laying right out on the log like that, praying. Be up there several days, just don't eat or drink, just there praying. And I walked out to get a little fresh

air, out of that cave; it was cool, damp back in there.

118 So then I come out and there laid my Bible where I had had It the day before, and it was turned to Hebrews, the 6th chapter. And I begin to read there, “Let us lay aside...on...go on to perfection, not laying again the foundation of repentance and dead works and faith towards God,” and so forth. “For it is impossible for those which were once enlightened,

made partakers of the heavenly gift, and the callings,” and so forth. But said, “But thorns and thistles which is nigh unto rejection, whose end...water...the rain cometh oft upon the earth to dress it and prepare it for that which is—that which is nigh unto rejection, with thorns and thistles, whose end is to be burned.”

And Something went,
“Whooooosssh!”

119 I thought, “Here It is. I’ll hear now whatever He...He woke me up here, He’s fixing to give me a vision right now.” I waited there on the end of that log, and waited. I got up and walked back and forth, up and down. Walked back, nothing happened. Walked back to my cave again, nothing happened. I stood there, I thought, “Well, what is this?”

120 I walked over to my Bible again, and, oh, It just

come all over me again. I picked It up, and I thought, “What’s in there He wants me to read?” I kept reading on down about “repentance towards God, and faith,” and so forth, and I read on down where It said, “The rain cometh oft upon the earth to dress it and prepare it for what it’s meant for, for here, but the thorns and thistles which is nigh unto rejection whose end is to be burned.” And, oh, It would just shake me!

121 And I thought, “Lord, are You going to give me a vision of what...” I was up there to ask Him for something another.

122 Then all at once, before me, I seen the world rolling, and it was all disked up. And here went a man with white, with his head up, sowing Seeds like this. And when he went, coming, just as he went over the hill, here come a man behind him, dressed in black, with his

head down, sowing seeds. And when the good Seeds come up, it was wheat; and when the bad seeds come up, it was weeds.

123 And then it come a great drought on the earth, and the wheat had its head hanging over, just about perished, wanting water. And I seen all the people with their hands up, praying for God to send water. And then I seen the weed, it had its head down, bowing for water. And

just then the great clouds come across and the rain just gushed down. And when it did, the little wheat that was all bent over went, “Whish,” stood right up. And the little weed right by its side went, “Whish,” stood right up.

I thought, “Well, what’s that?”

124 Then It come to me. There it is. The same rain that makes the wheat to grow, makes the weed to grow. And the same Holy Spirit can fall in

a bunch of people, and can bless a hypocrite just the same as It blesses the other. Jesus said, “By their fruits you shall know them.” Not whether he shouts, whether he rejoices, but “it’s by his fruit you shall know him.”

125 I said, “There you are!” “I got it, Lord.” I said, “Then that really is the Truth.” This man...You could have gifts without knowing God.

126 So then I—then I was getting too critical on speaking

with tongues, you see. But one day, then, how God vindicated that to me!

Came To Me, And His

***But She Had Longed For
Something That Money
Wouldn't Buy***

Marilyn Monroe

WILLIAM MARRION BRANHAM

52 I was in the mountain, a few weeks ago, and way back. When I was coming home...We went back, the family and I, to rest a little, where we're going again, the Lord willing, next week. And then, back there one night, I saw a vision. And it was a—a lovely, pretty woman, looked, young woman, running. She had her hand near, and she was perishing with a heart attack. A beautiful woman, and she dropped and was gone. And

the Angel of the Lord said, “Now, when you hear of this, remember. They’re going to say that she committed suicide. But she died in a heart attack. It’s almost four, so you just say four o’clock.” And then He left me.

53 And I didn’t wake the family up, in the little cow camp, or where the cowboys stay, where we’d go back there to round up the cattle. I—I just let them sleep until morning. And then the next day, I mentioned

it. And I said, “Some young woman, very attractive, is going to die in a heart attack.” And on the road out, two days later, there it come in on the radio. That this Miss...I can’t think of her name. [Someone says, “Monroe.”—Ed.] Monroe, Mrs. Monroe. I think that was her stage name, or whatever it was. Her name was something else. And she had died, and they said she committed suicide.

54 Now, it don't make any difference how much I'd say it, they're still going to say she committed suicide. But the child did not. She died in a heart attack. And if you'd watch, she had her hand, trying to get to the phone, the phone in her hand. She had a heart attack. They said sleeping pills was there. She had been taking them for a month, see, or more, out of that bottle. She died in a heart attack. And she died about four or five

seconds before four o'clock,
exactly.

55 And I read of her life story,
in the magazine, how that
her...She was an illegitimate
child. And how that she had
washed so many dishes. And her
mother in the insane institution.
And she had longed with...She
was the most perfect-bodied
woman, I guess, in the world.
But she had longed for
something that money wouldn't
buy. I thought, "Oh, I wish I

could have got to her. I know what she needed.” There you are.

56 May be members of the churches of fame, finest, famous Hollywood, where all the decoration and tinsel is on. But they seen those people. She could see they lived no different life than what she did. It takes influence. It takes the power of the resurrection of Christ amongst the people, that they see that Christ is not a statue hanging in a building, but He’s a

living Being in the form of the Holy Spirit, living in men and women, bringing peace, and contentment, and happiness. Oh, if we could only got to the young lady before she left the world!
