Title: 56-1125E — A Blushing  
Prophet

68 Think of these things, friend.

One of these days; it's just as apt to happen before daylight in the morning, as it is to happen fifty years from today. One rocket bomb, one of those cobalt or hydrogen bomb could...The whole nation is on an alert.

69 You seen it in the paper the other day where they're requiring science, the Pentagon, to answer the flying saucers.

It wasn't myth. It wasn't something it imagined. It was real.

It was an intelligence. They flew in battle formation. They could stop. They could start. They could stop. They could tell. It was an intelligence. They know it. The people laughed.

They said, “Flying saucers?” made a fun out of it.

70 But you know what I’m thinking? Jesus said, before He comes, there will be signs in the Heaven above.

Did you notice? **Before He started, destroyed Sodom and Gomorrah because of their sex affair, He sent Angels down to investigate it.**

**Angels has come to the earth in the last few years.**

They've been seen among people; I mean, honest Blood-washed people who knows it.

They've even stood and had their pictures taken. That's right.

**Angelic Beings has visit, taking word back to the Father, that sin has heaped till the stars can hardly shine. The moon... The whole world is reeling like a drunk man coming in at night. Right.**

*We see all this going on now, and  
the—and the Pentagon wondering  
about these lights, and mystic lights,  
and everything they're seeing in  
the—in the sky.*

Revealed In His Own Word

If Einstein had only had the spiritual application, as he had the—the physical application, as he studied the laws of light, and so forth, he could have told us something. When I heard his message on that great center somewhere into the skies, that, “Ever contacted with that center, you could create earths, do

anything, and the power would be unlimited.” See? He had seen that.

68 You see these little pockets going through the air, they call “saucers,” so forth. People so...That, well, we better leave that alone. “Hear all these people come up missing?” you say. Don’t hear from them; they’re standing there, and they’re not there.

That's the way the Rapture is going to be. One of them will drop right down, and this terrestrial body will take on a celestial body. And they'll be...hide, hair, or bones left; it'll be transformed in a moment of time, dropping right out of space and taking Home that.

**We see all this going on now, and the—and the Pentagon wondering about these lights, and mystic lights,**

**and everything they're seeing  
in the—in the sky.**

You seen they had one here  
in the paper at Jeffersonville this  
week, and so forth, “a mystic  
light.”

**So, oh, they don't know  
what that is. But listen, little  
children, It's going to pick you  
up, one of these days. See?  
See? Don't worry.**

Remember, Jesus said, “As it  
was in the days of Sodom.”

## **69 What happened just before Sodom?**

**God came down with some Angels, and They had an investigation judgment. Said, “I’ve heard the cry, that it’s so sinful, so great, so I’ve come down to find out whether it’s altogether the truth or not.”**

That right? Watch that main One that stayed with Abraham, could discern the thoughts was in Sarah’s heart, behind Him.

Now, you look around just a little bit and notice, see, watch what It's doing, the same thing today. **It's an investigation judgment.**

**Why, after a while, the Church, when It can stay in that place, and every seed has been brought to its spot, they'll be gone.**

**They won't know what happened to them.**

**One will be going one way. See? One will be going over to the pastor's house, and one will be going *here*, or down *there*, and, the first thing you know, they're not there.**

For Enoch which was the type, "God took him, and he was found not." Come down to investigate! The continuity, how the Enoch translation, a type of Israel being carried over in the ark...

sights in the heavens, man's hearts  
failing, fear, perplexity of times,  
distress between nations.***

Title: 62-0319 - The End-Time Sign  
Seed

---

74 Just want to say one thing more: distress between the nations. Oh, my. Fearless sights in the heavens, do you believe that's so? Look, we just take a couple of them. Have we got a couple more minutes, to make it at nine-thirty? I don't want to hold the auditorium. We—it's grace, these people let us have it.

Listen. How many... And every one of you, you've seen... The nation's been shook up just recently about signs. Did you see what, this man in the orbit the other day? He found things up there he never... Science don't even know what they are. When he passed around the earth... Yet they've looked and looked and looked, but they didn't see them. He thought his orbit was coming to pieces. It wasn't so. His orbit was all right. Lights...

75 Look what's just been over the... You've seen it in the radio,

you saw it on television; it's been in the newspaper: flying saucers everywhere.

**And the Pentagon let it out the other day (about six weeks ago) it wasn't fictitious.**

**They even showed it on television how they caught these saucers, with intelligence—lights that come down, hanging over the Pentagon like that, all over Washington, DC.**

**And they caught it on radar, and had pilots up there. They'd come right in around them, surround around them, then move away with lightning speed. An intelligence, what is it?**

**Jesus said there'd be fearful signs, sights in the heavens, man's hearts failing, fear, perplexity of times, distress between nations.**

Don't you see that seed time is here now, the harvest time, the things the Bible said would come

to pass? That seed that's been  
planted, don't you see it's taken  
life and living? That's what's the  
matter.

this morning!*

Title: 63-0714M - Why Cry? Speak!

---

234 O God, what this Church ought to be this morning! **With God's perfect vindication, with the Pillar of Fire and the signs and the wonders, everything just like it was in the days of Sodom. He said it would return back.**

235 Here is the world in its condition. There is the nation in its condition. There is the women

in the condition. There is the man  
in the condition. There is the  
church in the condition. There is  
everything.

The elements, the signs, flying  
saucers and everything in the  
skies, and all kind of mysterious  
things, and the sea a-roaring,  
tidal waves, man's heart failing,  
fear, perplexed of time, distress  
between nations, the church  
falling away.

*63-0714M - Why Cry? Speak!*

---

*We see fearful sights in the skies, man's  
heart failing; flying saucers, and so  
forth, that they can't explain,  
investigating judgments coming to the  
earth.*

**William Marrion Branham**

Title: 64-0206B - Paradox

---

270 We see the world, geographically. We see the signs; earthquakes in divers places, nations against nations. We see all the things that's predicted. We see fearful sights in the skies, man's heart failing; flying saucers, and so forth, that they can't explain, investigating judgments coming to the earth. We see the atomic bombs hanging out yonder, everywhere,

and the great missiles can carry total destruction in an hour. We see the gases hanging above us there, that would rain the fires down, out of the heaven, and destroy the earth.

271 But we see Jesus, also, Who made the promise! And as was said, “This same Jesus, that was taken up from you, will come again in like manner as you’ve seen Him go into Heaven.” We are watching for that glad Day to come.

272 Our hearts, many of us here, Lord, for since little boys, we've put forth every effort that we knowed how, to serve You. Lord, don't let our eyes be blinded to this hour. Open my eyes, Lord, that I'll see every promise. May I be able to punctuate it with an "amen," that it's so, everything that God has promised. Grant it, Lord. Give us a great meeting.

Title: 63-0728 - Christ Is The  
Mystery Of God Revealed

---

602 “On Christ the solid rock I  
stand, all other grounds is  
sinking sands,” said Eddie  
Perronet. Uh-huh.

603 That’s it, Christ, the Word!  
He was the Word; He is the  
Word. And the Church becomes  
the Word, by Him making Her a  
part of Him, and that’s the Word  
again. Personally identified by

Him, His property alone! His property alone! She is redeemed by Him, through Him, for Him, and for Him alone. That's right. Then, what the devil is howling about, that it's being revealed.

604 We're in a dangerous time. Remember, the Scripture says, when these things begin to happen, "time is no more." She is fading away, when we see the manifestation.

605 "Earthquakes." You see them thousand killed the other

day? “Earthquakes in divers places.”

606 Said, “Fearful sights in the skies, pillars of fire,” like, floating around like flying saucers. They don’t know what it is. See? They don’t have any idea.

607 Did you notice the Angels that come down, investigated Sodom before Sodom was destroyed? You remember that? [Congregation says, “Amen.”—Ed.] There was a bunch of them

come down, three of them. One of them stayed with Abraham. You remember that? [“Amen.”] They were Lights from Heaven, that came down in the investigating judgment. One’s...

608 Look where they’re all found. Around the Pentagon, and things, they find them. That’s the world judgment, Sodom. And there is One represented, will be represented amongst the churches, will be Christ Himself, vindicating Himself. See? “Sights

on the...in heavens above, and  
signs in the earth below.”  
Certainly.

*We know it's investigating,  
judgment Angels, you see.*

Title: 65-0815 - And Knoweth It  
Not

---

266 Next morning...Junior Jackson, who dreamed about the pyramid, you know, when I went out west. You remember that? He called me, a month or two before that. He had a dream that's burning; he had to tell me. And I said, "Billy..."

267 There was about twenty standing out there. He said, "Junior Jackson, down there,

said he had to tell you that dream.”

I said, “Send him in, just about five minutes.”

268 He brought his wife in, and, he said, for a witness. He said, “I dreamed, Brother Branham, me and my wife was out riding.” And said, “I looked back in the east, and I saw, look like, a spot, like one of them flying saucers.”

269 **See, the world don't know what that is, you know.**

**You know it's on. We know what it is. See? We know it's investigating, judgment Angels, you see. And how at the Pentagon and all, about how it comes right down; and the intelligence, how they can [Brother Branham snaps his fingers once—Ed.] go like a flash and be gone, pull away from anything they got. See, they don't realize what it is, see. Let them think whatever they want to. They call it flying**

**saucers, or whatever. They don't know, see.**

270 Said, "And I seen it coming, and I watched it. And what it was, it was a man on a horse." And said, "He was coming with lightning speed." Said, "I seen he was going to come down in front of me. And I stopped my car, jumped out. When it did," said, "the car...horse was standing in the road, a great white military horse walking in a prance." That's the

Word, of course, you know, walking in a prance.

271 Said, “There was a man sitting on there.” Said, “He—he was dressed in western garb; wasn’t a cowboy, but,” said, “looked like a chief over rangers or something.” See, all of his chief authority, from the west; the Indians over the Indians; rangers over, see. And said, “The man had his hat pulled down, and had...was looking sideways.” And said, “When he turned sideways,” said, “it was you,

Brother Branham.” Said, “You never talked like you did. You said, ‘Junior!’” Called him three times. “And said, ‘I’ll tell you what to do.’” And said, “Then you pulled up on the reins of this horse. You made about three lopes, and took to the skies, and you were gone towards the west.”

272 He said, “Just a minute, I looked around, and here come a horse smaller than that one, of the same breed, but smaller, and stood.” Said, “I walked around,

said, 'He must have sent this back for me.'" Said, "I got in it." (Junior has done a little riding, too. He said, "You know how your saddle fits you, Brother Branham, the stirrups and everything?") Said, "I thought, 'Well, this fits me just right.' So I pulled up on the reins, off through the skies." Said, "I pulled on the reins and stopped him, turned him around and went back. See? When I went back," said, "I stopped the horse, got

~ 9 ~

off, talked to the wife. The horse  
was gone.” And he...?...

*And also in the Book of Mark and in Matthew, where He said these great signs and wonders would appear in the sky, and people call them saucers, flying saucers, can—can vanish with the power and quickness of a thought, intelligence that can move in.*

129 Friends, this is the fulfillment of Malachi 4, Saint Luke 17, Saint John 15, oh, so many, Revelation 10, so many prophecies that can be pinned exactly to this day. And also in the Book of Mark and in Matthew, where He said these great signs and wonders would appear in the sky, and people call them saucers, flying saucers, can—can vanish with the power and quickness of a thought, intelligence that can move in. He can write, He can speak, He can do

whatever He wants to. The great Pillar of Fire, “the same yesterday, today, and forever.” And sights coming upon the earth, pyramids of smoke rising into the air, way above where there cannot be no humidity nor nothing, thirty miles high. Predicted a year and a half before it happened, that it would be that way. Then turn the picture and see Who it is looking down. Not one Word has ever failed that’s been told, and here is God’s written Word, confirming it’s the Truth. And it’s evening time again.
