

"I'm healed. I'm  
healed"

FROM THE SERMONS OF  
**WILLIAM MARRION  
BRANHAM**

***Refuse to have your sickness, your arthritis, whatever it is, "I just haven't got it. By His stripes I'm healed." Stand right on your ground. Confess it. Believe it. Stay there. God will bring it to pass. No matter what it is, just believe Him.***

E-9                      †                      Now,  
healing is not something that  
you just say, "Well, I... yeah, I  
believe it. I believe it." Now,  
that's all right. If that's the best  
you can do, just mentally, or  
just say, "Well, I... Yes, I--I

see it. I believe that; I accept it." Then if you accept it on those basis, keep saying it over and over. Say it out loud. Say it over and over; just keep saying, "I'm healed. I'm healed." Say it until actually you believe it. And when you believe it, then it's going to take place.

Don't have a negative testimony. Every time when you confess, "Well, I still feel bad today. I guess I..." you go right straight back in the same

but that you was in the beginning. There's not a man or woman in here that is baptized with Holy Spirit but what would start your confession, "I believe I've lost the Holy Spirit. I believe It's gone from me. I believe I..." you'll go right down; you'll never... Can you...

*53-0219 ACCEPT.GOD'S.GIFT\_ TALLAHASSEE.FL  
THURSDAY\_*

E-10            †            Listen  
close. You'll never live above  
your confession. Jesus is the  
High Priest of our confession

(Is that right? Now, Hebrews 3:1, now any scholar knows that same word "profession" is "confession" too, same translated.), now setting at the right hand of the Father to make intercessions upon what? Our confession. He can't do nothing for you until first you confess He's done it. See?

When you accepted... Now, I wasn't saved... I'm not saved tonight because I get happy and shout. That isn't it.

I'm not saved because the gift of God works through me. I'm saved because I have met the conditions that Jesus Christ required from me. I'm saved according to the Bible. See? Is that right? See? On... And not because I feel like I'm saved. Satan can whip you around the stump on your feelings, but he can't when it's **THUS SAITH THE LORD**. See? He can't do--go that. He can't wade across that; that'll defeat him.

53-0219 ACCEPT.GOD'S.GIFT\_ TALLAHASSEE.FL  
THURSDAY\_

E-11      †      Now, when you believed you were saved, setting in your seat, out in the-  
-wherever you was, you accepted it and begin to confess and tell people you were saved. Well, you kept on saying, "I'm saved."

The people said, "They ain't no difference in you," but you believed there was. Is that right? And you kept with your confession and after while it worked righteousness. All

your neighbors and everybody knows you're saved now, because you believed it, you confessed it. Why, what happened? What changed you? He's the High Priest of your confession, setting at the right hand of the Father, making good what you're confessing.

Now, that's the same thing it is by healing. You accept Him as your Healer, renounce your feelings. It's not by feelings; it's by faith. Say

you're healed; believe you're healed; act like you're healed; associate with those who believe in healing; and God will bring you right out to a perfect soundness of health: will not fail.

*53-0219 ACCEPT.GOD'S.GIFT\_ TALLAHASSEE.FL

E-12            †            Just an illustration. I'm trying to get faith moving (You see?), so I can see what the Holy Spirit will do here for us in a few minutes. Don't never look at symptoms. Lady, don't you

look 'cause you're setting in a wheelchair, or this young fellow here, that's no more to God than to heal a toothache (See?), not make a bit of difference.

But now, look. He's the High Priest of--of your confession. Now, if there's any fellow that ought to had a--a bad case of symptoms, would've been Jonah when he was going down to Nineveh. He was backslid, going to Nineveh, or to Tarshish,

instead of Nineveh, on the wrong ship, going the wrong way, backslid, running from God in a stormy sea. They tied his hands and feet, threw him out of the ship. He went down into the sea. A whale swallowed him and went plumb to the bottom of the sea to rest his swimmers as all fish does. There he was, tied hands and feet, backslid, a stormy sea, many fathoms deep in the sea in the belly of a whale.

If there's anybody should've had symptoms, it was Jonah. If he looked this way it was a whale's belly; everywhere he looked it was a whale's belly. But he refused to look at it.

You look and say, "I'm setting here."

Somebody else look, say, "Well, the doctor told me I had heart trouble. I had arthritis." Refuse to see it; refuse to believe it. That's right.

53-0219 ACCEPT.GOD'S.GIFT\_ TALLAHASSEE.FL  
THURSDAY\_

E-13      †      Jonah said,  
"They are lying vanities." He  
said, "Once more will I look to  
Your holy temple," told God.

Because when Solomon  
dedicated that temple, he  
said, "If Thy people be in  
trouble anywhere and look to  
this holy place and pray, then  
You hear from heaven."

And he believed, Jonah  
believed that God heard  
Solomon's prayer. And he

started saying, "I'll not look at this whale's belly. I'll not think about my backslidden condition. I'm looking towards Your holy temple and making confession." And God sent oxygen down there, and kept him alive for three days and nights, and delivered him right in Nineveh where he belonged.

Well, if Solomon prayed that prayer, and if... There's no one here that's in the condition or half way like

Jonah was. You ain't got nothing like the symptoms he had. Well, if he, in that condition, could look to a temple where it was built by hands of a man, and a earthly being, a man, Solomon, sitting and praying, and could have faith in Solomon's prayer, how much more ought you and I, tonight, setting here, look to the throne of God where Jesus stands at His right hand with His Blood there to make intercessions on your

confession. Just refuse to have the symptoms.

*53-0219 ACCEPT.GOD'S.GIFT\_ TALLAHASSEE.FL  
THURSDAY\_*

E-14        †        Symptoms  
is something like, say  
tomorrow, when you go home  
now, to your place, the  
express agent will come up  
and say, "Are you Mrs. Joe?"

"Yes."

"I have a present for you."

"All right. What is it?" He  
hands over a--a basket, or  
box, and you hear something

hitting in that box. You look in it. It's a big box of snakes, rattlesnakes. Well, you don't want them things.

Well, you say, "I don't want them."

"Oh, but they're yours. Somebody sent them to you. Here's your name. Here's the name. It's somebody sent these snakes to you; they're yours. You have to take them."

Now, in one sense of the word they're yours, in another sense they're not. Somebody sent them to you, but they're not yours until you sign for them that you've received them. And when you sign you received them, then they're yours. But if you refuse to sign for them, he has to take them back to the express company. The express company has to send them to the one that sent them to you. Is that right?

Well, don't sign for nothing the devil brought. No, sir. Just refuse to have it. No, sir. Say, "I just haven't got it. Devil, you take it all back. That's all. I won't have it." Refuse to have your sickness, your arthritis, whatever it is, "I just haven't got it. By His stripes I'm healed." Stand right on your ground. Confess it. Believe it. Stay there. God will bring it to pass. No matter what it is, just believe Him.

E-54        †        Oh, friend.  
My. We promised to pray for  
the people. I just feel... I  
believe I'm living right at the  
spout tonight where the  
gusher's coming out. This is  
the first revival I've preached  
in for six or seven years. Just

feeling good about it... And I'm just been laying out my soul. God has a provided way, and that's His Son, Christ Jesus.

He died for you at Calvary. In there He was wounded for our transgressions, bruised for our iniquity. The chastisement of our peace upon Him, and with His stripes we were healed. We were, past tense. Now, all you have to do is draw dividends off of His death.

Every borned again man is given a checkbook. And a whole--enough checks in there to last you throughout your entire life. For anything that is--that that atonement calls for, the only thing you have to do is fill out the check and send it in. Every believer...

*And every person in the world was forgiven of their sins when Jesus died at Calvary, but it'll never do you any good 'less you accept it. That right? He's the Lamb of God that take away the sin of the world. "It is finished," He said at Calvary. Watch. "He was wounded (was, past tense) wounded for our transgressions, bruised for our iniquity, chastisement of our peace upon Him; with His stripes we were healed." It's already done. E-52                      †                      Now, if  
Jesus was standing here with  
this suit on, and this woman  
standing here. Now, what  
would you think He would do  
first? Now, He couldn't heal  
her, because He's already

done that. You see? When He died at Calvary, He did that. How many believes that? Let's see you hands. That's the Scripture. "By His stripes, we were (past tense) healed."

And every person in the world was forgiven of their sins when Jesus died at Calvary, but it'll never do you any good 'less you accept it. That right? He's the Lamb of God that take away the sin of the world. "It is finished," He said at Calvary. Watch. Now, just as we accept it,  
we draw dividends. See? Like  
a checkbook with His Name

signed on the bottom of every one; just fill it out, and send it in. See if the Father won't recognize His Son's Name. See?

E-20                      †                      That is something that's been part of my ministry. 'Course, I realize there's nothing that would heal a person. 'Cause there's nothing in any man that would heal another. See? It's all... Every person in the world is already healed. There's not

one but what's already  
healed. There's not a sinner in  
the world but what's already  
saved.

Jesus Christ, when He  
died at Calvary, He paid the  
price right there. That's right.  
Now, the only thing we have

~ 4 ~

to do is to look there and  
accept it (See?), accept it.

Now, you say, "Well, I got  
saved two years ago." No.  
You got saved nineteen  
hundred years ago; you just

accepted it two years ago.  
See? He settled the question  
when He died.

*54-0228A EXPECTATION\_ PHOENIX.AZ SUNDAY\_*

E-21            †            And now,  
there's two things that man  
can't do, forgive sins or heal.  
It's not given to man to do  
that, never was. It's given... It  
was only in Jesus Christ. And  
there, a man by the preaching  
of the Word can point you to  
that, and you can accept your  
salvation or healing, for He  
was            wounded            for            our

transgressions, with His  
stripes we were (past tense)  
healed.

Now, there's many of the  
ministers, such as Brother

Roberts and many of them who go out in the ministry and they take the Word and explain it so close. Brother Bosworth, Brother Osborn, many of the men that's been here in the city with you people, that they're scholars in the Word; they teach Divine healing by the atonement. They make it so plain and clear till you have to see it; that's all. So then you just raise up by faith and accept it. That's the way to do it.

54-0228A EXPECTATION\_ PHOENIX.AZ SUNDAY\_

E-22            †            Many of them anoint with oil. Many of them lay hands on the sick. That's the order that God put all of those things in the Church after He done all this. And every minister in the world that believes in Divine healing, has just as much right and authority from God to pray for the sick people as any other person in the world. See? And every lay member of the church has the same

authority. "Confess your faults one to another and pray one for the other that you may... Confess your faults one to another and pray one for another that you may be healed."

So every person that believes in Divine healing has a right to pray for the sick. Now, that's general orders. That's right.

E-42                      †                      When  
those little shackles and dark  
shadows gets broke away,  
then the Holy Spirit can come  
right in and perform miracles,  
and, oh, what He can...  
There's nothing impossible  
with it then. But just that little  
doubt setting there.

Just like I was speaking to a brother this morning, a man crossing the river. People come up here to the platform lots of times, say, "Oh, Brother Branham, I got all faith." But now, they--they believe that in sincerity. Like on the visions

and so forth. It--it--it's... By God's gift it's possible then to find where that flaw is. See, 'cause God reveals it many times.

Now, you say, "I've got faith." The first thing, you have to have a base for faith. That's God's Word. Well then, the man goes to school and he learns theology. He reads it, said, "God said so." "Yes, I believe that." He believes it here in his mind. See? But he's got a subconscious also. And that subconscious disagrees with this. Because when he starts to do it, he's a little bit scared it won't

~ 6 ~

happen, and it won't. That's right.

*54-0228A EXPECTATION\_ PHOENIX.AZ SUNDAY\_*

E-43       †       It's just like  
as long... That's the truth,  
friends. I've been a minister

now twenty-one years, studying of the Scripture in every way that I know how. And I have to be very careful on what I say.

Like the man crossing the-  
-the sea. The man goes across the sea. The real man that drives the ship, he never sees where he's going. He's down in the bowels of the ship. He's the engineer. The man setting up here on deck, he takes... gives him orders from the man up in the crow

nest. He says now... He will send down word, "Two knots to the left." Now, the man down here, he don't see where he's going; it's just the engine.

Well, what if he would give it two knots to the right? Or what if he just wouldn't give it at all? The man up here says, "Go forward," and he puts it in reverse. It goes backward. They'll never get out of the harbor.

54-0228A EXPECTATION\_ PHOENIX.AZ SUNDAY\_

E-44        †        That's the way at the Church, you're going this way, that way, and this way and that way. Yet now, when the man up in the crow nest says, "Straight

ahead." The man on the deck says, "Straight ahead." This man down here in the bottom says, "Straight ahead." She's going to move.

When God says, "By His stripes you were healed." The man receives in his heart,

says, "By His stripes we are healed." The subconscious acts back, "By His stripes we were healed." Look out. Something's going to take place. You're going forward. Nothing can stop it then. You're in full harmony. And not a wave, I don't care what kind of waves would come, it'd never be contrary to your faith. You'd just move right on through. That's right.

See, but you've got to make everything in agreement

with God's Word. Then we move on, when we got it all lined up and in agreement.

Then if he'd say, "Well, that case is too hard, this or

that." I know you try to believe up here, but this down here, you got a little fra--you're a little scared about it.

*54-0228A EXPECTATION\_ PHOENIX.AZ SUNDAY\_*

E-45        †        Like I was telling a lady this morning, when you go to fry your meat for breakfast, and a big bunch of grease pops up on your hand, the first thing you... just scares you to death. You grab your hand and "Where is the Unguentine?" just as quick as you can. That's the reason it

burns you. That's what makes... The scare is what... I can prove that. It's the scare that burns you.

You got the Holy Ghost,  
it's operating in your body.

Well, when that old snake grabbed a hold of Paul's hand, there was not a bit of scare. He looked at it like that, shook it off in the fire, and went on, and got some more sticks. It didn't scare him. See, if you're not scared...

Jesus said, "Why did you fear?" Peter come walking on the water, doing fine until he seen the waves were contrary, then he got scared and begin to sink. Jesus come, picked him up, said,

"Why did you fear, oh ye of little faith?" Fear, you're scared it won't happen. Don't have one bit of fear; move forward. God said so; that settles it.

*And I believe that all the healing

rather. And I am trusting to  
God, that there will not be a

prayer.

And I've seen it happen so  
many times, that our Lord  
Jesus completely healed  
every person at one time. I

see them where they just stack up the cots, and the crutches, and the wheelchairs, and take trucks and haul them off, and everybody go away well. If they can just get in the right attitude.

E-4                      †                      Now,  
coming here to Los Angeles, I  
think this is part of it. It  
stretches out so far; I get  
around these hills and they  
say "You're still in Los  
Angeles."

So I--I almost shudder to start to preach on Divine healing, not because of the Message, but because that how it's been mistreated, the Message of Divine healing. And you--you find that, of course, with the--all phases of all walks of life. They--they have a pro and con. And we have a... There never was a--a bogus dollar in the world, unless there was a real one for it to be made off of. You see? So it should only make a

~ 7 ~

real dollar look better when  
there's a bogus dollar.

Now, I suppose that in our  
little audience this afternoon

there's Methodists, Baptists, Presbyterian, Catholic, Lutheran, Pentecostal, Church of God, oh, all different denominations is really what it's made up with. And that's the way it'll be in heaven.

55-1113

*JESUS.CHRIST.THE.SAME.YESTERDAY.TODAY.AND.FOR

E-5      †      And I--I want to say this little remark here, that, so that I can express and not be personal to anyone, or any denomination, or phase. But speaking of Divine healing

when you come here to Los Angeles, especially... I remember when I first come. Very noted man here in Los Angeles, a very outstanding minister of the denominational church that I was from, the Baptist church, I was talking to him by phone. He said, "Brother Branham, don't talk about Divine healing in Los Angeles." That's was eight years ago.

I said, "Why so, sir?"

And He said, "Well," said, "you just don't realize what you're getting into." He said, "Everything's a healer in Los Angeles." He said, "It's just hanging out on every sign and everywhere." And said, "Some of the awfulest things you

ever heard, called Divine healing."

"Well," I said, "that may be so, my brother, and I appreciate your sincerity, but yet there's a message of Divine healing is the truth." See? That's right.

55-1113

*JESUS.CHRIST.THE.SAME.YESTERDAY.TODAY.AND.FOR  
EVER\_ SAN.FERNANDO.CA SUNDAY\_*

E-6       †       And now--  
now, I want to make this real clear, so everybody will thoroughly understand, that I believe that Divine healing is

nothing that any individual on this earth can do for you. I believe that it's--it's the--the effects of the atonement of the Blood of Jesus Christ at Calvary. That that's what...

I don't believe that any oil out of my hands would heal anybody. I don't believe it has anything to do with it. And I believe if I'd claim so, it would be absolutely antichrist, taking away from Christ. If there's any virtue in that oil from my hands, or anybody else's hands, or from anything else that come from me, it's taking away from Calvary, and it'd be anti, against Christ.

And I--I do not believe that there's any power in man to

heal other men. I believe that the only thing that any man can do, rightfully... Now, of course, we have people that believe that they--such things. But I don't see how you Protestant people could condemn the Catholic on holy water then, if you could go for such as that. But... See? But where there's isms, remember, friends, it's only a sign of a real genuine healings of God. See?

55-1113

*JESUS.CHRIST.THE.SAME.YESTERDAY.TODAY.AND.FOR  
EVER\_ SAN.FERNANDO.CA SUNDAY\_*

E-7            †            Now, I've  
had a lot of experience in my  
life, to be no older than I am. I  
have seen witch doctors in

healing. I've seen psychic, mental work-ups. I've... And all together, and all of it called Divine healing.

Now, there's such a thing as being mentally worked up, or emotionally, and that doesn't mean healing at all. Healing is real when it comes directly from God by your individual faith; that's all.

Now, I believe that there's no one on the earth that could forgive you of your sins. Now, if you had sinned against me,

and asked me to forgive me for what you've done against me; all right, I could forgive you that. But only God can forgive you your sins, that you sinned against God, and against the Bible, and against nature. And that's the same way by healing.

Now, so that you, by approaching this subject... And I haven't had too much time today to pray. I've just been taken across the country to a little private room where

~ 18 ~

I'm to be the rest of the week  
in prayer for the healing  
services.

55-1113

*JESUS.CHRIST.THE.SAME.YESTERDAY.TODAY.AND.FOR

E-8        †        But to you,  
my dear brother, ministers, I  
want you to thoroughly  
understand, that in  
approaching this subject of  
Divine healing, I lay it all to  
Calvary and the finished  
works of our Lord Jesus at  
Calvary. It's not any mental  
emotion, any work-up, any  
psychic. It's truly your faith in  
the finished work at Calvary.

I believe that all salvation...  
That every sinner was  
forgiven of his sins, when

Jesus died at Calvary. Every creature that would ever be on the earth was thoroughly... His--his salvation was paid for when Jesus died at Calvary. Now, it'll never do him any good, until his own personal faith accepts that finished work.

And I believe that all the healing that was ever done, or would be done, was completed at Calvary. He was wounded for our transgressions; with His

stripes we were, past tense, already healed at Calvary. Now, the only thing that I could do, or any other minister could do, would be to preach the Word, or do something in the way that would cause you to have faith in the finished works of the Lord Jesus at Calvary, that your faith has already purchased.
