

**I said, “God had a meeting  
down one time, down in...  
Philip was there preaching,  
and the Samaritans were being  
saved, and great joy and  
power. And the Lord called  
him aside to talk to one man  
there: a eunuch of Ethiopia.”**

**Is that right? He never did  
return to the city any more.  
See? Obedience is better than  
sacrifice (Is that right?),  
hearkening to the farts of rams.**

10      Here's      something  
stayed on my heart for twenty-  
four hours. I don't know  
whether it's the Lord or not.  
It's never come to a vision.  
That's what I watch, is the  
visions; then I got THUS  
SAITH THE LORD. But this  
has been impressed on my  
heart. I spoke with Billy today

at the hotel about it. Our meetings are too short. We just come in and our meetings from, say, five nights. That's still too short. I like to come to a city this size and stay a month or two (See?), and just go to a place here. 'Cause most of the time, just about time for me to say, this will take place and that will take place, that you're gone.

Mr. Brewer called me from the Peace River—or not Peace River but Wood River,

and he said, "Brother Branham, we have taken you on tape recording." And said, "And everything that you've said while under inspiration, the different things that was going to take place," said, "everything is absolutely fulfilled to the dot." See? Well, it's God. He said, "Just come back, just one night, just one night." Said, "Could you come tomorrow?" That was tonight.

I Said, "No, I'm in Chicago."  
And then...

11 Now, my meetings has never been able to be set up, because—like it ought to be, like Brother Roberts and them does, because Brother Roberts has his meetings set two and three years ahead. And he goes to a city, and he can stay there till it's over. And that's all. He can stay as long as he wants to, put his meetings for two or three weeks at a time, sometimes six weeks at a time. But mine, I can be right in the midst of a

meeting; He'll give me a vision and send me somewhere else, and just walk right out and leave it. See? So I can't have meetings like those men. They are—they... 'Course they're doing just what God told them to do. I believe. That's—they're to do that.

My ministry, I've been right in meetings where people would be packed and jammed and standing on their feet, in a hour's time, be on the road somewhere else. See? It's

wherever He calls me, I have  
to go right then.

I had a group of ministers,  
recently... Oh, they was about

to tear me to pieces over here about it. And said, “Oh, Brother Branham, you can’t leave.”

I said, “Oh, yes. It’s God first.” See? I must go.

And he said, “Well, what about if God told us to set this meeting here?”
