

# It's Praying People That Hold Me Up

From The Sermons Of  
**WILLIAM MARRION BRANHAM**

*And I said, "Here is Gene Goad, Pat Tyler, and a whole bunch of them like these fellows here, when I'm in one of those meetings; lay on their face, and fast for days and don't even eat, and pray and everything, for me." That's what carries me on. See? That's the strength.*

52 Someone asked me not long ago, at Chautauqua, our last meeting, “Brother Branham, how do you carry on like that?”

53 **And I said, “Here is Gene Goad, Pat Tyler, and a whole bunch of them like these fellows here, when I’m in one of those meetings; lay on their face, and fast for days and don’t even eat, and pray and everything, for me.”**

**That's what carries me on. See?**  
**That's the strength.** Their help  
cometh from the Lord.

Brother Daulton, oh, just so many  
of them, of friends that just fast and  
pray, refuse their meals and things,  
and fasting and, praying.

2 I'll tell you a little secret. You might not know it, but it's true.

**There's two women that's hid away (Christian women). And they won't appear until the end of the meeting. That's never eating or nothing, praying for me in this platform, will be in there seven days**

now, a praying for this meeting.

That's what does it. God res...Bless their gallant souls. Fasting and praying that God will give us victory...He will certainly do it. He will be obligated to do it, if we'll just ask Him and believe that He will.

Each one of you has helped support this meeting with your finance.

**You have support it with prayer.** And tonight, if schedule worked out regularly...**Two little women that's been hid away in these eight days in the meeting, has been fasting and praying for this meeting.**

**That's one of the reasons that it was a success. That's right.** And may...I trust that they're here tonight. That was told to me by pretty good authority, which I believe is authentic. So I appreciate you sisters, and I appreciate you, not only them, but others who've been fasting and praying too, and backing me up with your wonderful faith in Jesus Christ.

Oh, when I stand around a group like that and that wall of faith around, you don't get scared. I can tell you that. There's Something just stands

right by you and makes you know that Something's with you.

And then, for putting up with that old sassafras preaching of mine, it's a...I'm not a—much of a preacher, but you even rallied at it, so I—I thank you. That's a lot of grace. I appreciate you very much. I want to thank you, each and every one.

**23 I ask you one more favor:  
Will you pray for me while I'm  
gone?**

**See, until we meet, you pray  
for me.**

**And I'll remember, when the  
great challenges before the holy  
men in India, the witch doctors in  
Africa, in the great interior where,  
in Australia and around, where  
those pagan heathens, they'll**

come right up and challenge you, and when they make their challenge, I'll be remembering that over in the Klamath Falls valley there's a group of people praying for me.

And I—I'll know that God will hear your prayer.

And I need your prayer, it's praying people that hold me up.

*I—I trust that you'll do that, for I

as helpless as I could be without someone  
praying for me.*

you all pray for us.**

And is—is said in the Bible, “The Lord watch between you and me, you see, while we’re apart.”

And may He do that, and protect and bless you, and protect and bless me, and help us both to live the best that we can for His service, till we meet again.

**And I'll depend on your prayers  
while I'm out in the field out yonder,  
to face the enemy.**

**So, you pray for us.**

All you ministering brethren,  
Brother Humes and Brother Beeler,  
and so many others of you here, just  
pray for me. You understand.

9 But there's many sick people coming in, and I been real, real busy and haven't had a chance to—to go out and make many of my calls. And I thought today would be a good time, just let those sick people come into the tabernacle and we'd pray for them. **And we know that prayer changes things.**

The background of the image is a soft, painterly landscape. It depicts a calm body of water, likely a pond or lake, covered with numerous large, round lily pads in shades of green and blue. Several blooming water lilies with pink and white petals and bright yellow-orange centers are scattered across the pond. In the distance, the sun is setting or rising, creating a warm, golden glow that reflects on the water's surface. Silhouettes of trees and foliage are visible along the banks, adding depth to the scene. The overall atmosphere is peaceful and inspirational.

*And I believe that's where you people,  
praying for your children, and that's the  
reason your children has the—the  
manners, and the—and the real lady  
and gentleman in this wild age that  
we're living in, yet they have that—that  
part about them that's the best I know of  
any kids. See? Well, I think the reason of  
that is because that your prayers for  
them, and you've committed them to God  
and holding on.*

Title: 61-0808 — Thy House

---

50 Now, I know we all want...think our kids is renegades and things like that, but we—we must stop that, I—I believe that we must remember that these kids are the best kids in the world, because they're our children, and we claim them for God.

51 Now, your salvation will not save that child, but now, Paul said, said, “Believe on the Lord Jesus Christ, and thy, and thy house shall

be saved.” Now, he...Now, what did he mean by that? He didn’t mean that because they were saved, that their house would be saved with it. He meant this: that because they were...had...if he had enough faith to be saved himself, his same amount of faith that he had for himself, would work for his children. See what I mean?

52 Now, I’ve got my children, *there* is my little son, Joseph, Billy, Sarah, Rebekah, well now, I want to see each one of them a worker in the Gospel, doing something, I want

to see them saved and filled with the Holy Ghost.

53 Now, I've committed them to God and say, "I'm holding on to God for them." See? And I believe they're going to be saved, every one of them. See? I believe they're going to be saved, and I'll have them on the other Side. And—and I don't believe my salvation will save them, no, but my faith in God will do it, you see, my faith, believing God will do it, and will cause them to come to Christ.

54 And I believe that's where you people, praying for your children, and that's the reason your children has the—the manners, and the—and the real *lady* and *gentleman* in this wild age that we're living in, yet they have that—that part about them that's the best I know of any kids. See? Well, I think the reason of that is because that your prayers for them, and you've committed them to God and holding on.
