

Plagues

FROM THE SERMONS OF

*One of these days Divine

great thing among the
people*

Bro. William Branham

Message: **54-0719A - God's
Provided Way Of Healing**

Let me pass something, here quickly, as our time's a going. **Listen, did you know the Bible predicts that in the last days, that they'll be a germ warfare?**

That diseases will break out upon the people, and will fall on everyone without the baptism of the Holy Spirit?

But with the Angel or who had charge over these plagues was given orders to touch no one on whom the mark was.

Why, how much, kind of teachers have we got to be, brethren, to get the church in order to be in that condition? Immune.

My arms are sore now, from where the doctors has punched needles in, to try to inoculate me from yellow fever and so forth. I told them I

didn't need it. But they wouldn't listen to me. But I'll tell you what God's going to do. God's got a serum, and it's called the Holy Ghost. And when that serum goes in, it'll inoculate you. Hallelujah. In the last days...

43 I remember one time during the '37 flood; everybody had to take typhoid shots. And so, I was escaping mine. I was a lineman, so I was out and gone. Some fellow walked up and he said,

“Have you got your shots yet?”

I said, “Oh, yes. I got my shot.”

He said, “You did.” Said, “Did it make you sick?”

I said, “Oh, no.” I said, “No, it sure didn’t.”

He said, “When did you get your shot?”

I said, “Oh, about three years ago.”

“Three years?” He said,
“Well, you ought to take
another one.”

I said, “I get one about
every hour.” Brother I...All
right. I was just going on to
him.

**44 But look, friend, the
time is coming, that when
there is rising up a church.**

**If we can't have faith for
Divine healing, how are we
going to have for the
rapture?**

We've got to move out, friend. We've got to get out of this old, slow, church condition that we're in. Step out. Launch out. Cut the shorelines, and get out into somewhere, where you lose all senses of fear and doubt, out there where all things are possible, brother, just as free as it can be.

You've got your sail set towards heaven, and nothing can stir you no way.

You're gone that way; that's all. Nothing can harm you.

Now, that's the kind of a church it's going to be, one of these days, according to the Bible.

Where the Angel poured out His wrath and diseases broke out, and men even rotted in their flesh where they were standing.

And the fowl of the air come down and eat off of the shoulders, and eat the

flesh of chief-captains, and great mans, and presidents, and warriors, and diplomats, and potentates, and everything. Eat...

But the Angel was given charge, “Don’t you come near anyone that’s got the seal of God in their forehead.”

It’s going to be a...One of these days Divine healing’s going to be a great thing among the people. So let’s

get in condition. God wants us...

You say, "Well, Brother Branham, you say, 'Let us.'" That's what God's a waiting on. God...We're waiting on Jesus to return, and Jesus is waiting on us. You say, "Well, how, what can we do about it?"

The Bible said the hour has come, and His Bride has made herself ready (Hallelujah.), made herself ready.

It's the plagues of God

Bro. William Branham

Message: **60-0229 - The
Oncoming Storm**

107 I'm told in the Bible that there would be a time come, for those who are not in this wonderful Son Light, that the fowls of the air will eat the flesh of them; that diseases is on its road, that the doctors will never be able to stop.

It's the plagues of God.

108 **The Egyptians'**
doctors, which was far
smarter than ours today,
could not stop the plagues
of God, neither could their
soothsayers or their
impersonators.

It took Goshen, and the Power of God, to hold His people; under the blood of a lamb!

109 The Holy Spirit is that Door today. The Holy Spirit is that safety today.

88 You think cancer is something?

The Bible said there is coming a time when men will rot right in their flesh, and the buzzards will eat off their carcasses before they even die.

Cancer is a toothache to what's coming.

But, remember, that horrible thing was forbidden in that day to touch those who had the Seal of God.

That's what we're striving for now, to get in and be positionally placed into the Kingdom of God before these horrible plagues strike.

Oh, how good! The dispensation of time, fulness of time, the inheritance.

***And the last plague that's hit
the church is a spiritual death.
Right. That's the last thing***

102 All right. I want you to notice. Then he said, “I want you to take the lamb and kill it in the evening,” perfect type of Christ, killed in the evening. And then the whole assembly of Israel was to witness the death. They did at Christ. And the blood was to be put on the door, for that night the death angel was going to ride the

land, and everywhere there wasn't blood was going to be death.

103 And I tell you, brother, if there ever was a time that the death angel is riding the land, it's tonight. He comes to the church door where the priest stands. And a church that's denying the Blood and the power of Jesus Christ, there's going on there, "the glory of God has departed," the death angel goes in and that settles it. They become formal and dead and denying God's power. And the first thing you know, death is all

over the whole group of them. You'd never get them to believe anything. They can't believe it.

104 Now, watch this death angel. I can see the father. Now, they were supposed, when the sun went down and darkness set

in, they once come under the blood of that lamb, they had to stay under there until marching orders was give. Brother, this is good for you Nazarenes, now.

105 Look, coming under the blood...Once under that blood, put it on the lintel of the door and on the post. But every time a man come through that door into this home, he stayed there until marching orders come to go

out of Egypt. I like that. Stay there.

106 How I can see the young ladies going to the parties that night, to the young Israelite girls, saying, “Come on, Rebekah,” and so forth, “come on out, and we’re going to...”

“I can’t do it.”

“Why?”

“Well, we’re under the blood.” Oh, my. “We’re under the blood.”

“Oh, come on, let’s go. Nonsense, that old crazy

religion your daddy's got there."

"But look, Something in my heart tells me that I mustn't go beyond that blood."

107 And on they went to their big parties and so forth.

Then along about midnight there begin to come a strange feeling, just like coming over the world again now, we spoke of a while ago. Something's wrong: great, howling darkness set upon the earth; winds begin to blow. I can see the little boy in this home here where we're going to go. Look at him, he says, "Say, what is that? I—I—I kind of feel funny. I see all the young girls was at the dances, they're hurrying up home."

108 Oh, my. It's too late to pray then. Now, the first thing you know, he begin to—he begins to look around. I can hear the little boy say, “Daddy, did—did—did the Word say

that the elder son was going to be killed in the home?”

“Yes.”

“Well, Daddy, what about our home?”

“Son, we’re just as safe as we can be.”

“How do you know you’re safe?”

“We’ve obeyed God’s Word. We got...we’re under the blood.”

109 I can hear him say, just a little later...After while, I

look out the window, little boy does, looks; there comes two big black wings moving through the air. That's death. And if there's any time that the black wings is struck the country today: we've had earthquakes; we've had pestilence; we've had all kinds of things that could come to this land; and on like they did in Egypt. But the last plague that hit Egypt before destruction was death. And the last plague that's hit the

church is a spiritual death.
Right. That's the last thing.

They're dying, the
churches are dying out.
Getting, we, oh, we're having
protractive meetings, but no
revival, no revival.

They say, "The great
revival in America..."

110 Tell me where it's at.
Where's it at? We haven't
even struck the first phase of
a revival in America. The
reason of it is, that we're

trying to teach man theology and things, instead of bringing them back God's provided way by the baptism of the Holy Ghost and send them back to God by the way of Calvary. We're trying to get them into the church, and join them into the church, and baptize them into the church, and shake their hands into the church, and pack their letters into the church; but they got to be borned in the Church of the living God. And that's the

reason we haven't got no revival.

111 What we need is an old-fashion stirring again, where, old-time John Wesley revival, where they stood and preach all night long, and the power of the Holy Ghost falling over the audience. That's what we need again. Amen. I kind of feel religious right now. So listen, friend, let me tell you something. When I think about the great need of this nation, we don't need

more seminaries. We don't need more preachers. What we need, is, what preachers we got, filled with the Holy Ghost. That's what we need. True as I'm standing here, that's the truth.

112 Now, I want you to notice something else. That little boy, then, would watch these wings go down, when it'd hit a home, he heard a scream come. But I can hear the little boy say, "Daddy, are

you sure that that blood's on there?"

I can see him walk out and look over the door, say, "Yes, sir, son, she's covered."

113 These wings start towards that home, but when she starts to come down like this, she sees the blood; He said, "When I see the blood, I will pass—will pass over you. I'll go over." That's right. On over, God's provided way of escape.
