And when all the world is no more and the seas have wept theirself into deserts, You'll still be Christ, forever more. When there's no more factories, no more men, no more churches, no more organizations, no more nothing here left on this earth, You'll still be Christ. And through the aeons of time to come, You'll still be Christ.

Today, knowing that we're living in the closing time, and we're aware that there's something going on.

135 I hear great ministers saying, “The Russian is the antichrist.”

136 Why, the Russian has nothing to do with the antichrist. That’s communism. The falsely of

Protestantism and Catholicism has produced communism. The reason Russia has drove them out of there, because they had all the money. And had all the prayers said to them saints, so they built the biggest buildings, and had all the wealth of the people, and bundled it up like that. And they seen they lived no different, and was no different from any of the rest of the world, and they spued it out and formed communism.

137 Now if you'll give me one more night, if God does, I'll prove to you that communism is working straight in the hands of Almighty God, to destroy the Roman ci-...

**And, remember, I say this as God's prophet, the Russian empire will drop an atomic bomb of some sort on the Vatican City and destroy it in one hour. THUS SAITH THE LORD.**

And the Bible said that God took them cruel-hearted men and put them in His hands, and they were instruments in His hands, “to fulfill His will,” and to bring back to her exactly what she had coming to her. That’s exactly. That’s the Word.

138 Brother, you just don’t realize how cunning these things are! Remember, Jesus Christ said that the antichrist would be so close till it would deceive the very elect. Said, “Now don’t let

any man entice you.” Said, “Don’t be like heathens, say your prayer over and over, ‘Hail Mary, blessed art thou, full of grace, and blessed are the...” Said, “Don’t be like heathens, using vain repetition.” He said, “And don’t you call no man ‘father,’ after this earth, either, nor...as you have got one Father, and that’s in Heaven.”

139 But you turn around, ignore that, you do it anyhow, 'cause it's popular. The devil has

always had a popular thing. It's always been, from the beginning, "a form of religion." Cain had the same thing. Here is his spirit moving right in here, through the antichrist; and here comes Abel, the slain one, too. That's right. Notice, and now look.

Nations are breaking. The world is falling apart. Fifteen-hundred-mile chunk of it, three- or four-hundred-miles wide, will sink, hundred...or maybe forty miles down into that great fault out yonder, one of these days, and waves will shoot plumb out to the state of Kentucky. And when it does, it'll shake the world so hard that everything on top of it will shake down.

144 And as Jesus cried,  
“Blind Pharisees,” the Holy Spirit  
in my own heart tonight cries,  
“Blind Laodicea! How oft God  
would have give you a revival!  
But now your time has come; it’s

too late now. How did you laugh and make fun of the people that God sent to you! But now your time has come. Oh, United States, United States, how that God would have hovered you as a—a hen does its brood, but you would not.” Now this Voice is going from coast to coast, from north to south, and east to west. How God would have hovered you, but you would not! Now your time has come.

146 Oh, hide me in the Rock of ages! God, let me, let me. Breathe upon me, Lord. Spirit of the living God, breathe on me. Let me take God's Filter and live under That, Lord. Let me breathe the fresh air of the Holy Ghost into my lungs, in my soul each day, that I sin not against You, O Lord. Breathe on me, Holy Spirit, breathe on me! I...

147 Let me plant the Word of God in my heart, and purpose there that I'll not turn to the right

hand or to the left hand, away from It, but I'll live true to It all the days of my life. O Father God, then send down upon me the Holy Spirit of Life, to quicken those Words to me, that I might manifest Jesus Christ before those who are before me, to looking for it to happen. That's my prayer.

Let me pass something, here quickly, as our time's a going. **Listen, did you know the Bible predicts that in the last days, that they'll be a germ warfare?**

**That diseases will break out upon the people, and will fall on everyone without the baptism of the Holy Spirit?**

**But with the Angel or who had charge over these plagues was given orders to touch no one on whom the mark was.**

Why, how much, kind of teachers have we got to be, brethren, to get the church in order to be in that condition? Immune.

My arms are sore now, from where the doctors has punched needles in, to try to inoculate me from yellow fever and so forth. I told them I didn't need it. But

they wouldn't listen to me. But I'll tell you what God's going to do. God's got a serum, and it's called the Holy Ghost. And when that serum goes in, it'll inoculate you. Hallelujah. In the last days...

43 I remember one time during the '37 flood; everybody had to take typhoid shots. And so, I was escaping mine. I was a lineman, so I was out and gone. Some fellow walked up and he said, "Have you got your shots yet?"

~ 5 ~

I said, “Oh, yes. I got my shot.”

He said, “You did.” Said, “Did it make you sick?”

I said, “Oh, no.” I said, “No, it sure didn’t.”

He said, “When did you get your shot?”

I said, “Oh, about three years ago.”

“Three years?” He said,  
“Well, you ought to take another  
one.”

I said, “I get one about every  
hour.” Brother I...All right. I was  
just going on to him.

**44 But look, friend, the time  
is coming, that when there is  
rising up a church.**

**If we can't have faith for  
Divine healing, how are we  
going to have for the rapture?**

**We've got to move out, friend. We've got to get out of this old, slow, church condition that we're in. Step out. Launch out. Cut the shorelines, and get out into somewhere, where you lose all senses of fear and doubt, out there where all things are possible, brother, just as free as it can be.**

**You've got your sail set towards heaven, and nothing can stir you no way. You're**

gone that way; that's all. Nothing can harm you.

**Now, that's the kind of a church it's going to be, one of these days, according to the Bible.**

**Where the Angel poured out His wrath and diseases broke out, and men even rotted in their flesh where they were standing.**

**And the fowl of the air come down and eat off of the**

**shoulders, and eat the flesh of chief-captains, and great mans, and presidents, and warriors, and diplomats, and potentates, and everything. Eat...**

**But the Angel was given charge, “Don’t you come near anyone that’s got the seal of God in their forehead.”**

**It’s going to be a...One of these days Divine healing’s going to be a great thing**

**among the people.** So let's get in condition. God wants us...

You say, "Well, Brother Branham, you say, 'Let us.'" That's what God's a waiting on. God...We're waiting on Jesus to return, and Jesus is waiting on us. You say, "Well, how, what can we do about it?"

**The Bible said the hour has come, and His Bride has made herself ready (Hallelujah.), made herself ready.**

***It's come to a place where  
the whole nation, the  
whole world, not only this  
nation, but everywhere,  
mentally gone.***

**William Marrion Branham**

18 I was just talking to a young minister and his wife, in the room, just a few moments ago. And both of them are nervous just like the rest of the world, rest of the human beings on earth. I said, "Remember, Satan's got a punch coming at you." Don't care who you are, God...He's got a right for that one punch. Which had you rather be, that punch; be blind, or be an arthritic setting in a chair, or be nervous? See? He's got somewhere he can punch you.

He's got a right to that open place. Now, that's the spot you got to keep covered all the time. And to see this nervous age that we're living in!

19 And last week's tapes, I think, will reveal to you the great hideous things that we're going to speak on one of these days when we can get a place sufficient, of the opening of those last plagues to be poured out upon the earth, those Vials, rather, pouring out of the

Vials, and the Seven Thunders, and those hideous sights that's coming upon the earth. Man now, and people today, are in such a neurotic condition; the whole world!

20 You read this last month's *Reader's Digest*, you'll notice the subject there; it's on Billy Graham, the great evangelist. He got so tired he just couldn't hold his meetings, and he—he went to Mayo's clinic for a physical checkup. There wasn't

nothing wrong with him, only he just doesn't do enough work. And they put him to running; physical exercise. He runs a mile every day.

And then the article goes on to say that science has proved that today, that young children, these little boys and girls, "hit their middle age at twenty years old." And by twenty-five, many times, in many cases, girls are out of

menopause, at twenty-five years old.

I don't know if you knew it or not, but a few nights ago while the Holy Spirit was speaking here in the meeting, a little girl setting down here, that's exactly what was wrong with that child when it called out. I looked at her the second time, looked again, and I seen what was the matter. I thought, "It can't be; that child is too young." But it was menopause, about twenty years

old, twenty-three, something like that. See?

21 My mother and your mother struck that age about forty-five to fifty. My wife struck that age about thirty-five. Now it's down to twenty. The whole human race is rotten. Well, if them physical beings of our body is tearing down like that from eating hybrid foods, tensions, that rotten it, does not that also rot the brain cell? Then we can see how women can get on the

street, naked. We can see how they can speed through the—the streets at a hundred and twenty miles an hour, all these things. It's come to a place where the whole nation, the whole world, not only this nation, but everywhere, mentally gone.

22 And then when we open up those, the Lord willing, on those Seven Vials and show those hideous things. Men will be so insane, after a while, till they'll imagine they're seeing ants the

size of a mountain. It'll be tormenting women; be locusts come upon the earth, with long hair, to torment women who cut theirs off; hair like women, hanging down; and long teeth, like a lion; stingers in their tail, like a scorpion, and—and so forth, to torment men upon the earth. But then it'll be too late to do anything about it. You get right now. See? Tormenting!
