**There's no more Gospel that  
America will receive.**

Oh, you get a few stragglings,  
now and then.

But, just as the Gospel, it's  
over.

~ 3 ~

And you can't even preach to them, can't talk to them. They won't believe nothing. See?

They just got their own hardheaded ideas, and they're set.

**And the next things for this nation is judgment.**

**She is going to have it, too.**

**It may be through depression.**

**It may be through an atomic bomb.**

**It may be through a great  
plague, a disease or  
something, but, she is ready.**

**It's coming.**

169 But now the end of the Gentile dispensation is here.

And Russia, the communists, has a bomb pointed right towards you, to end it, too.

Don't worry, it's coming. The Bible said so.

It'll be here with your name wrote on it, and it'll go into

powder in one second's time, the whole nation.

It'll be completely annihilation.

Notice, that's God doing that.

I know they're a liberty monarch, they're bunch of heathens.

But didn't God raise up heathen nations to straighten out Israel in days gone by?

The Bible claims that Russia and communism is playing right into the hands of God, to absolutely rid the earth of the people.

**170 But before that can take place, the Rapture comes and takes the Church Home before that can take place.**

And if that's so close at hand, how close is the Rapture? Closer than that.

Prophet

74 Just think what could happen. As I was telling you, I believe, this morning, or heard someone say it, that upon...One of these watchers that's watching; I forget what you call it now, for the bomb, or planes to come. Not long ago, there was a program come through somewhere, that they had called out the big fleets, with three hundred jet bombers with atomic

bombs and hydrogen bombs hanging under them.

75 Not long ago, at the big airport in Shreveport; one of the boys was converted over there in the meetings at Brother Jack. He said, “We got atomic bombs hanging right in our hangars.”

I said, “Aren’t you...”

76 “In the...” I mean, “In the—in the planes; and we’d go up and practice with them, daily.”

I said, “Aren’t you afraid?”

77 Said, “They haven’t got the triggers in them. But we’re so on the alert, that within the space of a minute, sixty-seconds, we could have the triggers in there and gone. And fueled up and ready, they could fly to England with them, immediately.”

78 The great hangars are setting out in the oceans, everywhere. And they’re saying to Russia, “Dare you drop one bomb! Just drop one atomic bomb on the UN, or somewhere there, and look what happen!”

79 What will it be? It'll be an onslaught go to Russia. And if they would do that, and start dropping those atomic and hydrogen bombs, it would cause a chain reaction that would burn the earth to—to a wick, just in smelt. You know, it wouldn't disagree with Scripture a bit. "For the earth shall burn, and the heaven, too." The atoms of the earth shall burn.

80 We are living in a dangerous day. We're living in a day when men of the world are scared to death. The great men, they're—

they're afraid who is going to burst that first bomb. The first bomb that goes off, then the whole thing goes into a—a rally.

**81 It ought to be the happiest time in the world for the Christian. Times are going to change. The old is going to become young. Oh, my! Death is going to fleet away. Sickness will be no more. No more prayer meetings for the sick. No more prayer meetings for the lost. But God shall come and take the Elect from the four winds of the**

**earth, and shall gather them under His own wing, and we'll live and reign with Him forever in His Heaven.**

82 Oh, brother, sister, friend of mine, if you're not prepared tonight, may you be prepared at this hour. I give you an invitation to come to Christ Jesus, tonight, and receive. You that's been different, you that know that you are not where you should be with God, I invite you to the altar with myself. I invite every one of you to come here, and not only to say, but to

stay here until God has cleansed your soul from everything that's unlike Him, until you can go out of here a new person. Not with a corn plaster on, but go out of here with a Blood transfusion that purifies your blood and gives you new Life and new hope. Go out with the baptism of the Holy Spirit. Go out, not shouting, not dancing, not so much...Them things are all right. They all belong in the Church. They all belong in the Bible. But what I'm talking about is the Holy Spirit, God's love.

think!**

Coming Of The Lord*

46 Now, I have a picture at home, or I believe it's loaned out at the time, called by the scientists, *Three Minutes Before Midnight*.

If the scientific world has said "the clock has went around until it's three minutes before midnight," and I think they've cut that down now till about one

minute before midnight, when they discovered hydrogen or oxygen, atomic, and all those great powers that they could harness, could completely cause a total annihilation in five minutes' time.

They could, absolutely tonight, not be one living person on the entire North America continent in thirty minutes.

And it's laying right in a bunch of infidels' hands who hate us.

And, besides that, we've got barges and ships set, all placed around, on both...through Siberia, over in Hungary, and different places, where our ships are setting, loaded with the same type of missiles.

47 Brethren, it's later than you think!

Sodom and Gomorrah little knew, that night, that they were living their last hour.

Little did Egypt know that the death angel, that had been predicted to come, would come that night.

Little did Pearl Harbor realize that raid that took place.

We are weighed in the balance and found wanting!

We are near the end time!

48 What would happen if...?  
They, right in Moscow, could direct them missiles, guided by the stars and radar, could land

that bomb exactly on Fourth Street in Louisville if they wanted to. That's right.

And we can stand out there in the sea somewhere, on our ships, and direct one right straight on the capital of Moscow if we want to.

What would happen, my brother, if that great missile turning would take place and this country would receive a shake, at the same hour we'd turn loose

the same things and shake it to the other side?

And we're living on a little, bitty, tiny, thin crust, anyhow, when the earthquakes have eat around and eat around until it's like hollowing out an egg.

If she'd make one big burst and this eight-thousand-miles-thick of lava would spurt into the air, it would do exactly what God said would take place.

away, Rome and—and the Jews  
will make a covenant with one

*Title: 63-0318 — The First Seal*

I believe I preached on it here, not long back, what will happen to this United States, on this money situation. See? Well, we are now paying our debts on taxes that'll be paid forty years from today. That's how far we are behind. Did you ever turn on KAIR up there, or Lifeline, and listen to it, see, from Washington? Why, we are completely busted. That's all.

339 What's the matter? The gold is all housed up, and the Jews holds the bond. It's going to be Rome. Now watch. We know who owns the big apartment stores, but Rome has the greatest part of the wealth of the world. The rest of it, the Jews have. Now watch this. Now just listen to this, how the Holy Spirit brought this out for me.

*And he shall confirm the covenant with many for one week: (now watch) and in the*

*midst of the week he shall cause the sacrifice and the obligations to cease,...for the overspreading of abomination he shall make it desolate, even unto the consummation, and that determined shall be poured out upon the desolate.*

340 Watch! Oh, what a shrewd thing he is! Here he is. Now, we got our picture and know that he is Rome. We know that he's the white-horse rider. We know that he went forth as a

doctrine. And then what was pagan Rome? Converted into papal Rome, and crowned.

341 Now watch, “In the end time.” Not in the early days when Christ was preaching, but, “in the end time,” the last part of the week, where we just took the seventy weeks of Daniel. And Christ has prophesied for the three and one-half years, and three and one-half years are yet determined. Is that right? And this prince in that time is to make

a covenant with Daniel's people,  
which is the Jews.

That's when the Bride is taken  
out now. She won't see it.

342 Notice, in the last one-half  
of Daniel's week, the people  
makes a covenant. This prince  
makes a covenant with Rome,  
makes a covenant with them, no  
doubt for the wealth, for Catholic  
and Jew holds the wealth of the  
world.

343 I was in the Vatican. I seen the triple crown. Was supposed to have an interview with the pope; Baron von Blomberg got it for me, on a...for a Wednesday afternoon at three o'clock.

344 And when they took me into the king, they took the cuffs out of my trousers. That's all right. Told me never to turn my back, walk away from him. That's all right.

But I said, “What do I have to do before this guy?”

345 Said, “Well, you just go in and kneel down on one knee and kiss his finger.”

346 I said, “That’s out. That’s out. No, sir.” I said, “I’ll—I’ll call any man a ‘brother’ that wants to be a ‘brother.’ I’ll call him ‘reverend,’ if he wants to have the title of that. But, to worship a man, that all belongs to Jesus Christ.” See? No. No, sir. Kissing

no man's hand like that. No, indeed. So, I didn't do it.

347 But I got to go all through the Vatican. Why, you couldn't buy it with a hundred billion billion dollars. Well, you'd a... And just think, "The wealth of the world," the Bible said, "was found in her." Oh, just think of the great places, the billions times...

348 Why did communism raise up over here in Russia? It just makes me sick at my

stomach, to hear so many preachers hollering about communism, and they don't even know what they're crowing about. That's right. Communism ain't nothing. It's a tool in the hand of God, to bring revenge upon the earth, for the blood of the saints. That's right.

**349 And after the Church is taken away, Rome and—and the Jews will make a covenant with one another. The Bible said they would, with the holy**

**people.** And now notice, they'll make it because (why?) this nation is going to be busted. And the rest of the world that's on the gold standard is busted. You know that. If we are living off of taxes, due bills, for forty years from now, where we at?

350 There is only one thing can happen, that's, to call in the currency and pay off the bonds. And we can't do it. Wall Street owns them, and Wall Street is controlled by the Jews. The rest

of it is in the Vatican. And the Jews has got the rest of it in Wall Street, with the commerce of the world. We can't call it in.

351 And if they could do it, do you think... These whiskey guys and—and all these tobacco people, which, billions times billions of dollars a year, and write off all their income tax for old vulgar pictures and things like that. And go out in Arizona there, and buy up millions of acres of land, or thousands, and

dig them big wells, at fifty thousand dollars, and pay it off with income tax. And they would put you in jail if you don't pay yours. But they write it off, and throw up wells, and send bulldozers in. And what do they do? They put housing projects in there, in the next term around, with their money they made. They got to make an investment. And put houses, projects, in there, and sell them for millions of dollars. Do you think them

guys is going to compromise, to change the currency?

352 Like this fellow down here in...What's his name? Castro did. He done the only smart thing he ever did do, then, when he destroyed the bonds, paid them off and destroy it.

353 Notice, but we can't do that. These guys won't let it. The rich merchants of the earth hold it.

354 And then there's only one thing to do. The Catholic church can pay it off. She is the only one has got the money. And she can do it, and she will do it. And in doing this, to get it, she'll compromise with the Jews, to make a covenant. And when she makes this covenant with the Jews... Now, remember, I'm taking this from the Scripture. And now, when she does this, and makes this covenant, we notice, in Daniel 8:23 and 25, "he will cause craft to prosper," and

craft is *manufacturing*, “in his hand.” And he makes this covenant with the Jews.

355 And, the midst of this, three-and-a-half years, he breaks his covenant, as soon as he gets the thing wrapped up, and gets the money of the Jews tied up. And when he does that...Oh, my! Oh, my!

356 He is called the antichrist until the end of the church age, for he is the...he and his children

are against Christ and the Word.  
This man is called the antichrist.

357 Now, he is going to hold the money. And that's where I think it'll come in. Just a minute, when I say this, then I want to go back to it in a minute.

358 He is called the antichrist, and will be called the antichrist, in the sight of God, until the end time. Now, but then he'll be called something else.

359 Now, when he gets the money all under control, “Then he’ll break this covenant with the Jews,” as Daniel here said he would do it, “in the midst of the last half of the seventy weeks,” of Daniel. And then, brother, what will he do? He’ll have all of the world trade and the commerce, a pact with the world, ’cause he’ll hold the wealth of the world, completely. And during that time, them two prophets will rise on the scene and call that hundred and forty-four thousand. Then

what'll take place? Then the mark of the beast, of Revelation 13, will set in, 'cause he holds all the commerce, trade, and everything of the world. And what will take place then? The mark of the beast will come in, that, "No man can buy or sell, except him that has the mark of the beast."

360 Thank God, the Church will be enjoying a great three and a half years in Glory, won't have to go through that.

361 Now notice, at the end time, at the end of the church ages now, he is called... He and his children are called the antichrist, 'cause anything that's against Christ is anti-Christ. And anything that's against the Word is against Christ, 'cause Christ is the Word. Now he's antichrist.

362 Then, in Revelation 12:7-9, when Satan is cast out, the accuser. You want to put that down, 'cause I want you to read it. We haven't got time now; it's

close, twenty or fifteen till ten, see. But in Revelation 12:7-9, “Satan,” the spirit, “the devil,” which is up there now, “accuser of our brethren.” All right.

363 The Church is taken up, and Satan is cast out. When the Church goes up, Satan comes down, then Satan incarnates himself in the antichrist and is called “the beast.” Then, Revelation 13, he sets the mark down. See?

Where is the Scripture that shows  
that the...that Catholicism will  
deceive the Jews and get their  
wealth?

**William Marrion Branham**

---

*Title: 63-0324M — Questions And  
Answers On The Seals*

---

**201. Where is the Scripture that shows that the...that Catholicism will deceive the Jews and get their wealth?**

289 Now, “Just where does it say that—that—that the beast will deceive for the wealth?” It doesn’t say that. But we’re presuming that that was... Now, the other night, you remember.

You can look at the tape real close. I never said that's what they would do. I said... See, the Catholics is the richest group in the world. There's nobody like them. And what they don't have, the Jews has the rest.

290 That's where the economics of this country now... We're right now living on tax money, according to *Lifeline*, that off of taxes (that's come right from Washington, DC) that'll be paid in forty years from today. That's what we're spending now.

That's how far back we are, giving notes, see, on taxes that will be paid in forty years from now. The nation is broke. She is done.

291 Now, Castro, the only sensible thing that he ever done, was when he counterfeited the currency and paid off the notes, the bonds, and burned them, and—and changed the currency. That's the only thing he could do.

And there's only one thing left for this United States to do. Now

remember, this is William Branham, see, speaking. This is my idea. It's only presuming, just looking at it in the natural standpoint, which may be a million miles off. I do believe that right there, in that money... "The love of money is the root of all evil." And I believe that right along in there will start the ball rolling.

292 Now, the Catholic church back there, from charging for mass, and so forth, holds the wealth of the world. You

remember, the Bible said, “She was rich,” and how she was. And, remember, not only just on one nation. She is rich on every nation there is under Heaven. She reaches out. She has the money. Now, what they don’t have, Wall Street has, which is controlled by the Jews.

293 Now, and you remember, he got the money when Jacob returned (last night we find out) and become Israel. He really had the money. But his money wouldn’t buy him nothing, see, to

Esau. Esau had it, too. See, both anti, and—and the one...See, it's just as perfectly.

294 Now watch here. I said they might want to consolidate together on the money, and the—and the Roman power take the Jewish power, and of money, breaking the covenant. That might not be so. See, I know they'll break it, but I—I don't know what reason, 'cause it's not revealed to me about what they'll do.

295 But look. Now, if today, now what if today, the only thing that we can do, would be to do? If we are drawing taxes (if that statement is right) off of the currency, off of the tax money of forty years from now, you see, our gold is...We've done spent it. We're broke. We don't have any money. And we're only living off of a past reputation.

296 That's what the church is doing today, the church; not the Bride. The church is living off of a past reputation it got back

yonder under the ministry of the lion time. “We are the Church! We are the mother Church! We started...” That’s right. See? It’s living off of reputation!

297 Methodist is living off of their reputation. Baptist is living off of their reputation. And Pentecost is living off of theirs. “Glory to God! A long time ago, when the saints used to dance in the Spirit, and how they... The Lord done *this* and *that*.” That, that’s something past. “We all got

big now, brother.” Oh, my! See?  
All past reputation!

298 This nation is living—  
living off of a past reputation of  
what the forefathers was, see,  
and that’s the reason we think  
we’ll be saved. God never  
respected Israel on what they  
was, what they had been; what  
they was then! Notice.

299 But, now, here is what I  
think, what I—I think will take  
place. Now, it may not be so. I  
believe the time will come when

we're forced to make the issue. And when it will be, that, instead of us changing the currency... What would that do to the Philip Morris? What would that do to the—the whiskey companies? What would that do to the steel industry? What would that do to all the commerce? What would that? It would break them. They would be broke. But, if, "We can borrow that money." You see how smart he is?

300 Then the nation sells out to the church. And then church

~ 12 ~

and state is united again, and  
there she comes. See? That's it.  
Notice. All right. Now, in this:
