178 See, there is one thing you can't do, you can't have a disturbance. The Holy Spirit is timid. How many knows that? [Congregation says, "Amen."—Ed.]

See, you must be obedient during the time.

179 How many has been in the meeting and see things go

from one to another? Sure,
you have.

See them lose their mind,
and go crazy; the seats fly
around and around in the
building, and devils was cast
out.

Some of them is paralyzed,
and had to be packed out of
the building; still paralyzed,
too.

Some of them died right
there, right where they was
standing; and dropped dead,
just right before us.

See, we're not playing church. It's the Holy Spirit. You must believe.

180 A man stood one time, trying to hypnotize me, there in Canada.

What's that across from Detroit, what is that city up there? [Someone says, "Edmonton?"—Ed.] No, across from Detroit. ["Windsor."] Windsor.

Yeah, he come over there.

They had hired him to go hypnotize people, for the army.

You know, make them bark like dogs, and things like that.

And that guy setting out there; I keep feeling an odd spirit, and I noticed it.

And the Holy Spirit said call him, said, “Son of the devil, why did he put that in your heart to come here? Because you’ve did that, they’ll pack you out of here.”

He is still paralyzed.

That’s been about twelve years ago.

They packed him out. Yeah.

181 God is still God. The thing is right, you see. Same!

He never changes.

If we can only believe, that's all we have to do is have faith. Now you look this a way and believe.
