FROM THE SERMONS OF
WILLIAM MARRION BRANHAM

The Prayer of Faith

James 5:14-15

14. Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord:

15. And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him.

Mark 11:24

24. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

Listen what the Prophet of God said about it:

1

*Any believer, any believer
that's got the Holy Spirit,
you have the power of God
within you, or the authority,
to pray the prayer of faith.*

244 I want each one of you
believers to lay your hands

over on one another, as a—as a sign.

Now, the Bible said, now, this same God that made this promise, said this, “These signs shall follow them that believe. If they lay their hands on the sick, they shall recover.”

Any believer, any believer that's got the Holy Spirit, you have the power of God within you, or the authority, to pray the prayer of faith.

I want you to pray while I pray for these people.

*Pray, pray, the only way to
reach higher ground, Pray,
pray, the prayer of faith will
bring God's blessings down*

6 And now, don't forget,
pray.

We used to sing a little
song at our church. I don't
whether you sing it here or
not. I couldn't sing; I always
wanted to. But I—I thought I'd

~ 12 ~

try it, but my nerve won't let me do it. I'll just say it, **"Pray, pray, the only way to reach higher ground, Pray, pray, the prayer of faith will bring God's blessings down."** That's right.

60-0312 - Door To The Heart

*A gift of Divine healing is
nothing but faith in Divine
healing. That's all it is: have
faith*

80 Now, if—if you were sick
and I said, “I have a gift of
Divine healing.”

**A gift of Divine healing is
nothing but faith in Divine**

healing. That's all it is: have faith.

Everybody have faith in Divine healing has a gift of Divine healing, 'cause that's all it is.

Now, that don't make them a Divine Healer no more than it makes the man that believes in salvation a—a Divine Saviour. See? It just...He believes in it. I believe in it too, but I'm not a gifted person like some of the men, like Jack Coe, and many of them

~ 16 ~

brethren was, just real...I guess they...God deals with them in their ways, and Brother Roberts in his ways, and me with my way. We just got ministries. That's all.

61-0224 - Be Not Afraid

If ever I had a time of success of praying for anyone, is when I could enter into the fellowship with them, feel their infirmities, feel their conditions. Then something in you goes down beyond the reasoning and prays the prayer of faith for the sick. You've got to feel for a man. You've got to sympathize with him. You've got to be with him before you can help him.

23 The next day, or night, when I got in there...The platform was about as wide again as this entire building

across here, the floor space, and it was piled full of old coats and hats, that I might pray over them hats and things for the people.

Coming on the platform that night, about the fourth or fifth person, I noticed an old wrinkled-faced man. And as he come up, he was blind, and he kept saying something. The interpreter was speaking it, "Was he approaching the man that was going to pray for him?"

As he kept telling, “Yes.”

He fumbled in his old ragged coat pocket, brought out a little pair of beads and begin to say something over these beads. I told him; I said, “Put it away, brother. You don’t have need of that now.” And he stuck it in his pocket. And I looked at him; I begin to think.

24 Now, to you pastors, here’s something for you. You know your congregation knows whether you love them

or not. You can't put on love; it's got to be real. It's just like people trying to...A freezing man, you'd show him a painted fire. He can't warm by a painted fire. It's got to have some heat in it. And love has got to have some action to it.

25 And the old man, as he stood there I begin to feel sorry for him. I looked at his old ragged coat. I put my shoulders up the side of his to see if my coat would fit him. I looked at his feet: no shoes

on, great callouses on his feet, dusty all the way up as far as you could see, where his ragged trouser leg. My shoe wasn't nothing like big enough for him. And I begin to look, and I thought, "That poor old man maybe never had a good meal in all of his life."

Oh, the economics of Mexico is very poor. The brick mason gets about eight pesos a day. And it takes about four days good hard labor to buy himself a pair of shoes. That's

Pancho Frank. What does Pedro do, working for about two pesos with six or eight children to raise? Oh, it's terrible.

And I thought, "After all that, and then nature...The devil has given him evil to blind his poor, old, blinded eyes. How cruel it was to him." And I begin to enter into something; I can't express it; it was a love of sympathy. And as the old fellow come and laid his head over on my

shoulder, and I hugged that old ragged coat, I said, "Merciful God, please help this poor old blind daddy. If my dad would've lived, he'd have been about that age. Will You help him?"

And I heard him hollering, "Gloria Dios." And the man could see as good as I could. The people begin screaming everywhere. What was it? It was entering into that fellowship of his suffering in his blindness. You must do it.

26 If ever I had a time of success of praying for anyone, is when I could enter into the fellowship with them, feel their infirmities, feel their conditions. Then something in you goes down beyond the reasoning and prays the prayer of faith for the sick. You've got to feel for a man. You've got to sympathize with him. You've got to be with him before you can help him. Then you enter into

~ 25 ~

some sort of a deepness; it's the love of God. It's beyond human love.

57-0806 - *God Projecting His Love*

*It takes a prayer of faith
to bring God's blessing
down*

8 Now, we want you to do a lot of praying this week. Just pray...We used to sing a little song, jubilee song, and the pastor...when I was a pastor of a church. Something about, Pray, pray...

~ 27 ~

The only way to reach
higher grounds,

Pray, pray, the prayer of
faith

Will bring God's blessings
down.

And that's right, isn't it? **It
takes a prayer of faith to
bring God's blessing down.**

54-0228A - Expectation

If I prayed for ten thousand people today, and ten thousand died in the morning, tomorrow night I'd be here praying for the sick, just the same, because God's Word said so.
That's right.

288 There is many times I've failed to pray the prayer of faith. There is many times I've tried hard, and failed to do it,

because my faith would not meet it. That doesn't change the Word of God one bit. **If I prayed for ten thousand people today, and ten thousand died in the morning, tomorrow night I'd be here praying for the sick, just the same, because God's Word said so. That's right.**

I believe in the old-time religion,

I believe in the joy I do know;

I believe that the path
which we're walking,

Is the path which our
fathers have trod.

Oh, give me this old-time
religion,

Oh, give me the joy I can
know;

For I believe in a heartfelt
religion,

Like our fathers received
long ago.

7

**I've seen my little girl,
that's only three years old
prayed for a crippled child,
and it was healed. That's
right**

38 Looky here, friends. Let me give this illustration. I might've done it before. What color is that shirt? It's white. Anyone that's got sight knows that shirt's white. You have

five senses of the body: see, taste, feel, smell, hear. Now, none of those senses will declare God. When God made man, He made him in His image, the spirit-man. And He put him in five senses to contact his earthly home, not to contact God with. Those senses don't declare God. They declare the earthly home, where the man had to contact his earthly home. He had to see, taste, feel, smell, hear.

But faith is the substance of things hoped for, the evidence of things not seen. You do not see it, taste it, feel it, smell it, or hear it; but you believe it. See what I mean?

Now, if every person in here...If this boy setting here, little lady setting here, little—the young lady setting here...I'm talking to cripples, of course, and here and there, and the people that's got diseases, if you believe, if you'd pray right now, until you

was so sure that you were healed, just as sure as you say that's white, it's over.

I'll assure you, if you'll get that type of faith, God Almighty will speak through me and tell you you're healed, will reveal it. See friends?

39 Therefore (You see?), I'm throwing it away from myself. It's not me. I'm just a...If only I couldn't breathe...You couldn't breathe without God, could you? Let your spirit leave you,

you're gone. Is that right? God holds your life in His hands. Is that true? You can't make yourself live. You live by God.

Just the same as I can't say nothing till God says something. I have no control of it. He says it. When He says it, then it's true. Then it's true. God confirms it with signs and wonders. Have faith. Place your faith in Christ.

Now, it doesn't matter if I would call Reverend

Markham, or one of these ministers here up to the platform to pray for you, if you...It's just according to your faith, be it unto you.

40 That minister has just as much right to pray, or any of the other ministers, or not only a minister, but any Christian who's a believer, to pray with faith, prayer of faith...Anybody who believes in praying for the sick, believes in Divine healing anybody: woman, man, boy, girl. **I've seen my**

little girl, that's only three years old prayed for a crippled child, and it was healed. That's right. For her little heart begin to beat; she said, "Daddy, look at that, the little girl."

I said, "Pray for her, honey." And a week or two from that, the child was well, the child. God hears anybody's cry that'll believe. And the reason you ask others to believe, because you're binding your faith

together to move away that
power of the—of doubt.

*54-0624 - The Deep Calleth To The

He just said, "They shall recover!" Interpret the word right. "They shall recover." He never set any certain time.

32 First place, He wants to give you this idea, that the promise is only to believers; not make-believers, skeptics, or unbelievers. It's only for those that believe! Now He

wants this court...the Defense Witness (the Holy Spirit) wants this court to realize that these promises are only for believers.

Then the cross question, he said, "These are believers!"

33 And now the Defense Witness Himself should know whether they are believers or not, because He is the One that quickens the promise. Now how you going to get past that? Got a right-hot trial going on. How you going to

get past that? The Holy Spirit should know, for He is the Life that's in the Word, He's the One that quickens the Word. Just like your spirit quickens your body, and the body is quickened by the spirit; without the spirit, the body is of no effect, the body's dead. And the Word is dead without the Spirit. It takes the Spirit to bring forth the Word, to make It live. And He is the Quickener of that Word, and He is the Defense Witness of

the Defendant. Amen. How you going to get a-past that? I want this court to understand that very well, that He is the Quickener, He should know. He quickens the Word.

34 Again, He wants to call the attention of this court to the Word of promise that's in question. He never set any certain time for them to recover. He said, "The prayer of faith shall save the sick, and God shall raise them up." He didn't say "right then."

“They shall lay hands on the sick, and they shall recover.” He never said, “a day, month, year.” He just said, “They shall!” The Defense Witness wants you to know that, that He didn’t say there’d be a miracle performed.

He just said, “They shall recover!” Interpret the Word right. “They shall recover.” He never set any certain time.

And, that is, if they are believers! If they are

believers, it shall recover. "They'll lay hands on the sick, and they shall recover," whether it's now, a week, month, year, ten years, twenty years, fifty years. "They will recover," He said so! That is, if they can hold onto their believing. Now, that's the Defense Witness.

64-0419 - *The Trial*

*Sometimes I feel a person,
when they come to me, I feel
that pressure of faith come
against me.*

87 Do you still love me as your brother...?...Well, I still love you and got perfect confidence in you. I trust that you have in me. And may God watch over us, and watch

between us, until we see each other again. And if it's at the judgment, I pray that we'll all set down under the Tree of Life, and I'll have a thousand years apiece to talk with you all. That's right. So God bless you now.

And now, if you have to go home, when you get up, go reverently. But if it's casting out an evil power...

Sometimes I feel a person, when they come to me, I feel that pressure of faith come

against me. Maybe they're blind, or deaf, or dumb. When I feel that pressure come against me, that I know that it's faith, I usually stop like that. Because if them people have faith for it to be done, no matter what's wrong with them...But if I don't feel that faith, I just ask a prayer of faith and let them go by. See what I mean? You all understand, don't you.

And he might—and here might be one tonight with the prayer of faith, that would pray a prayer of faith that would heal someone. That gift of healing might be on them tonight. It might be upon this lady here tomorrow night, and upon this man over here the next night.

4 See, when I speak of this One Who has come down from heaven, a gift sent from God, and I just declare Him

here. I'm just His mouthpiece. I do nothing but what He says. And when I can get you to believe Him, He'll go anywhere wherever you are and confirm His—the Word of God. Now, that is true. And it is true. Many people, now, that...

Seems like when I speak anything else besides the Holy Spirit, I feel like something just kind of tightens down, that it just a little bit, that it might be a little bit

misunderstood. So if you'll just let me, for a moment or two, tell you...

5 You see, when I speak of an Angel, I—I do not mean the worship of an Angel. Does everyone understand? I do not mean a wor...No, no, no. No, you don't worship an Angel; you worship God (See?), not an Angel, but the ministry of Angels...I believe that every one, that the Angels of God watch over us. And I believe that—that Jesus

said, “Their Angels always behold the face of My Father which is in heaven.” I...

Now, my people formerly were, behind me, were Catholic. And that might be just a...You might think it was a little bit of a Catholic idea, but it—it—it isn't. No. I believe...

6 Someone told me here not long ago, said, “Brother Branham,” said, “now, why don't you give all the praise to

the Holy Spirit and say that's the Holy Spirit?"

I said, "My brother, I must be truthful. [Blank spot on tape—Ed.] Whether it's the Holy Spirit..." I said, "It—it—it's a gift sent from God. He never said He was the Holy Spirit, never told me Who He was. He said, 'I'm sent from the Presence of God.' And It does not feel like the Holy Spirit when It comes. The Holy Spirit makes me feel happy. But when That comes

around, it—it isn't that feeling; it's a very sacred, august feeling like. And it's different, but It's sent from God."

He said, "Brother Branham, the ministry of Angels, that was back in the Old Testament, like Daniel, and so forth." But that's an error, friends. That—that—that—that is wrong. Now, he said, "Since the Holy Ghost come, the Holy Ghost leads the church."

That's the truth. The Holy Ghost leads the church. That is true. But there's ministering Spirits sent from God, special gifts, friends.

7 Now, let me just ask you this, and then you...We all know that—that John the Baptist was—was a Christian, or a holiness man (Don't you believe so?), a Holy Ghost man? He was born from his mother's womb full of the Holy Ghost. But it was an Angel that came down and

announced his birth: Gabriel (Is that right?) before Zacharias. Mary...Gabriel came again.

Now, Angels come to people. But when Gabriel comes, it's something major. See? [Blank spot on tape—Ed.]...Gabriel will announce the second coming, and sound the trump of God, the dead in Christ shall rise.

8 Now, notice this. Then you say, "Well, they were before the Holy Ghost came."

Well, after the day of Pentecost and they received the Holy Ghost...How many here believes Philip had the Holy Ghost? Let's see. Well now, who was it? The Holy Ghost told him to go to the desert Gaza, or was it the Angel of the Lord that appeared to him? Not the Holy Ghost, the Angel of the Lord (Is that right?) appeared to him.

How many believes that Peter, Saint Peter had the

Holy Ghost? Let's see your hands. Sure. You all believe. But when he was in prison, and they had a prayer meeting at John Mark's house, it was the Angel of the Lord that came into the prison. Is that right? He had the Holy Ghost.

9 How many believes Paul had the Holy Ghost? Well, after fourteen days where there's no moon, stars, or lights, he was down in the gallery, praying. And he came

out and said, “Be of a good courage, for the Angel of the Lord, Whose servant I am, stood by me last night, and told me.” Is that right? “The Angel of the Lord Whose servant...”

How many believes John the revelator had the Holy Ghost? Sure he did. Well, the whole Book of Revelations was revealed to him by an Angel. And John fell down to worship the Angel. Is that right? He said, “See that you

do it not.” No true Angel would stand to be worshipped. That’s right. Said, “...?...be worship, worship God; for I am of thy fellow servants, and the prophets, and those who’s had the testimony of Jesus Christ.” He was an Angel sent from God. John, or those apostles, or any of them, the Holy Spirit is in the church.

10 And the teachers here of the Scriptures will teach you these things. There’s nine spiritual gifts in the church.

They operate anywhere in the church.

For instance, if this tent here tonight concealed the entire body of Christ. The Holy Spirit leads the body of Christ. And in this body there's nine spiritual gifts. They are here in the body. Gifts of healing, gifts of prophecy, it might fall upon someone here tonight, this lady setting here, this man, or this man; and he may give a prophecy and it would be true. But it would never work on

him maybe again. It might come back at the...

See, that doesn't make him a prophet. That makes...We're in the body. By one Spirit we're baptized in the body and subject to these gifts. And when the body's setting here...Remember what Paul said, "If something be revealed to one setting by, let him hold his peace and so forth," like that? That's the apostolic church. That's where

it should be now. And in that...

11 And he might—and here might be one tonight with the prayer of faith, that would pray a prayer of faith that would heal someone. That gift of healing might be on them tonight. It might be upon this lady here tomorrow night, and upon this man over here the next night. It might come back to her. It's in the church—the body.

Now, those are the nine spiritual gifts that's in the body now. They work through the body. But then there is gifts and callings without repentance. That's an a vindicated prophet sent from God, from...You don't receive that. That's a gift sent from God, that's born in your birth, come down through, and been set you down through. And that...A prophet, not a gift of prophecy...

Who ever stood to judge Isaiah, to see whether his prophecy was right or not? They knowed from his time through that he was a prophet. Who stood to say to Jeremiah, when God told him He made him a prophet before he was born from his mother's womb. And all those who lived right, they knowed he was a prophet.

But this Spirit of prophecy that's in the church now. He said, "If one prophesies, let

two or three judge. See? See if it's a wrong spirit got into the church. See, this is the—the day, the order. So the teachers will get those things, later on. But what I mean, if they haven't already got into that...

50-0810 - Expectations

How wonderful is our Lord
Jesus. I can hardly see the
audience no more. Seem like that
everything's becoming milky white,
the Holy Spirit gathering in.
People are believing now. Why
didn't you do that in the beginning?
You'd see great things done.

67 You'd never go blind if
you could believe with all your
heart. You do? Then I lay my

hands upon you, in the Name of Jesus Christ, that you be made well. Amen. Have faith, believe with all your heart, and be well.

Nervousness is nothing for God to heal, is it? He's done made so many well. You believe you're going to get over it? See, it's a prostate trouble that causes this, makes you nervous getting up at nights and everything. That is right. Uh-huh. Now, go believing. Don't doubt at all, and it'll stop on you. You'll be

well. God bless you, my brother. This I do in Jesus Christ's Name. Amen. Have faith. Don't doubt.

I can't heal you, lady in the little wheelchair. I can't make you well, but I know where your trouble is. If you only believe. You're weeping. Something's telling you that you can be well.

68 Do you believe your back trouble is gone? You do? Well, you may go then, and God bless you.

You got arthritis, very bad. Just keep having faith. If you'd just use a little more faith, you can pick your wheelchair up and go home. Just believe. Have faith.

How wonderful is our Lord Jesus. I can hardly see the audience no more. Seem like that everything's becoming milky white, the Holy Spirit gathering in. People are believing now. Why didn't you do that in the beginning? You'd see great things done.

How do you do, sir? Oh, asthma's a bad thing, but God's a Healer of asthma. You believe it? Then go believing Him, and it'll cease on you. I bless thee, my brother, in Jesus Christ's Name, for your healing. Amen. Go, believing now. You can have what you ask for. God be with you.

*55-0807E - Leading Of The Spirit
Of God*

"Can we all do miracles?"
Yes. When you're directed
by the Holy Ghost to do
miracles, go do it, because
it's Holy Spirit directed.

379. Can every son of
God be so anointed till he
can do miracles, signs,
wonders, or is this just...is
this at the directions of the
Holy Ghost?

38 Yes, it is at the directions of the Holy Ghost. If you are a son of God, or a daughter of God, whatever you are, when you have received the Holy Spirit, then the Holy Spirit directs you to do things.

39 I don't have time. I just wish I could tell you little stories. Every time I think of it, just have to pass it by. But I think this one will hold for just a minute.

40 It was down in Meridian, Mississippi. Many of you Oneness people, Brother Bigby was holding...was sponsoring my meetings, he's a Oneness brother. And one night in a meeting, Billy Paul had went over in the arena and had give out prayer cards. Oh, it was pouring down rain. And the people was standing outside with umbrellas and things. And Billy give out prayer cards, and there was a...And then he come to get

me. And while there was...while he's come to get me, there was a little lady that set down in front, and there was another lady walking with a little baby, trying to keep it quiet. And this little lady setting there with a little calico dress on, ever what it was, was a mother too. And she seen the lady, and the Holy Spirit spoke to the woman, something on her heart, "Go pray for that baby."

41 “Well,” she said, “next time she passes, I’ll go pray for her.” And when she passed again, the lady was holding a prayer card. “Oh,” she said, “I—I couldn’t pray for that baby.” Said, “Brother Branham will pray for that baby tonight. And who am I to pray for the baby if Brother Branham’s going to pray for it?” Now, that was reverent, and that was nice, but that can’t always be the will of God. Sometimes it’s different.

The Holy Spirit kept telling her, “Go pray for that baby.”

Finally she thought, “That woman will turn me down cold. Knowing she’s got that prayer card, she wouldn’t want me to pray for that baby. She brought that baby here, not for me to pray for it, but for Brother Branham to pray for it.”

So the Holy Spirit kept saying, “Go pray for that baby.”

Finally she said, “Well, to relieve myself I’ll just say...I’ll give her my seat.” So she said, “Honey (one little mother talking to the other one), would you—you want...? You got that baby,” said, “would you come, set down here, take my seat?”

She said, “Oh, Honey, I don’t want to take your seat.” Said, “I’m trying to keep the baby quiet.”

Said, “But you look so tired and worn out.”

She said, "I am."

She said, "Well, set down here and take my seat." And she said, "I see you got a prayer card. Perhaps you're...Brother Branham's going to pray for your baby?"

She said, "We hope this number will be called."

And she said, "Well, I do too." She said, "Sister, you are a Christian?"

Said, "Oh, yes!"

She said, "I'm a Christian too." And said, "Ever since I've been setting here, the Spirit of the Lord has been telling me, 'Pray for that baby.' Would you give me permission? I know Brother Branham will pray for that baby if it's called. And you just keep holding your card, he'll get it." Said, "But if I lay my hands upon the baby, and just offer a little prayer to make myself feel better, and get out from under that what's calling

me, would it—would it offend you?”

42 She said, “Why, certainly not, Darling. Pray for the baby.” And it was a little blue baby, and so the—the little lady prayed for it. She give the lady her seat, and she climbed up into the third balcony and was standing up. Some Christian brother up there, gentleman enough to get up and give this lady a seat, so she set down.

43 About a half hour later, I come into the meeting, spoke for a few minutes, called the prayer cards; and this woman was third or fourth in the line with that baby. And she set up there, and she said, "Oh, thank you, Lord. Now, I felt so sorry for that little mother, I believe the baby will get well now, 'cause Brother Branham...Just the third or fourth, he'll get to that one." Said, "Thank you, Lord," the

little mother setting up there, feeling for that baby. All right.
