55 Now, we're going to start now and call into question some of these people. Now, if I was going to say, for one, to start with, I'd think of—of...Let's take Noah, for a moment. Now, Noah had a revelation from God, yet it was contrary to anything that science would prove to be true. But yet he had spoke to

God, and God had spoke to him. And he went about preparing an ark. Where, the scoffers and mockers, as the Bible said that they would be in the last days like they was in them days, that those scoffers scoffed at Noah. Why, they thought that he was out of his head because he was building an ark. So, but God brought judgment upon them scoffers, because they would not listen to the messenger of God and come

into that ark under his preaching, then God sent His Divine judgments on the earth. First He made a preparation for all who would receive it, to escape it, and then if they did not escape it, there's only one thing left. If they won't take God's preparation of escape, then there's only one thing left, that's Divine judgment.

56 You can only do two things, it lays either mercy or

judgment. You have to accept one or the other.

There's where we stand tonight. We either take God's mercy or we stand His judgment. There's just no way of getting around it. God always makes a way of escape for those who desire

to escape. Then He's got...What's left over, has to stand the judgment. Not because that God wants them to, but because they have chosen that way themselves. See, they make their own choice. There's where we stand tonight, friends, the same thing. We can either take God's way of escape, or we can stand His judgments, either one we want to do. Aren't you happy tonight that you have took the way of

escape? Because, all that refuse the way of escape, will have to come under judgment.
