

AMERICA...

A Nation Already Judged

FROM THE SERMONS OF
**WILLIAM MARRION
BRANHAM**

***The testing time has
come for America,
and she has failed***

Bro. William Branham

Message: 57-0407M - God Keeps His Word

117 There is testing times comes for nations. Now, I say this, I'm not a politician. God runs His own nation. He doesn't run these nations; the devil runs these. Every one of them, the Bible said they does. The devil operates every nation. Notice when the testing time comes for the nations.

118 When the testing time
come for Israel, she failed.
And, when she did, God
turned her over to Babylon. As
a nation, she failed.

And when the testing time
come for Rome, she failed.

When the testing time
come for Greece, it failed.

When the testing time
come for France, it failed.

When the testing time
come for Russia, she failed.

119 Listen. And I say this with the reverent heart to God. The testing time has come for America, and she has failed. The Gospel has been preached from east to west, from north to south. They've

combed every little place, and crack and corner. Great revivals has went forth, Billy Graham's and Jack Schuler's, and Oral Robert's. And they have, oh, just hundreds of them, has combed every little crack and corner. The devil throwed out a television yonder, and then God worked it around to throw men on the television; and every drunkard in the barroom, or wherever he is, will stand without an excuse. Yes, sir. The testing

time has come. What did I tell you from this pulpit? “Last year, America made her fatal mistake.” I said, “Fatal mistake!” She sure did.

120 And look what she is doing now. You see it in the governmental affairs. They are trying to go right over and hook up with the Arabs. Don’t you know?

God’s Word said, “Ever who curses Israel will be cursed.” Certainly.

121 I stand with Israel.
“Take our ground? They’ll
take it.” Certainly.

122 They are doing the wrong thing. Sure, they are. Brother, look at every nation that turned against the Jew; they sunk. Look at—look at Germany when she turned against the Jew, and they burnt the bodies in incinerators; and look what it is today. Look at Italy, that turned against the Jews, when Mussolini ousted them from Italy; look at her today. If we wasn't feeding them, they would be starved to death.

123 And here the Gospel
come and give a mercy call
throughout the nations, for
years, and we've turned it
down. And now working, the

devil taking his seat, is turning the hearts of these political men against Israel, and they're hooking up over yonder with the Arabs. Brother, we're as good as gone. That's right. We'll sink, as sure as the world.

124 I love my nation. I love it, what it stands for. But, brother, I love my Lord above everything. And I love to see my nation to its knees, but I'm afraid we'll never do it. We're at the end time. What

happened? A mixed multitude
got in.

125 Watch our churches, a
few years ago, when they had
the old-fashion holiness
churches, when they stood for

God and righteous, when women dressed and act like ladies, when men dressed and act like men, when people went to church on Sunday morning, when they had all-nights prayer meetings, when they had the old-fashion type. They had a real revival. God blessed. He cut off every enemy before them. They were journeying on. But when the wedge of Achan got in the camp, with nothing left but destruction. We're on our

word, God...on our road. God
keeps His Word.

Rev. William Marrion Branham

She's rejected the Message

Bro. William Branham

Message: **61-0108 -
Revelation, Chapter Four #3**

82 And not long ago I was riding down through the prairie. As a little boy I used to think, get my history books and geographies and think of the great western plains. “Someday,” I said, “I’ll live there peacefully and quiet where there’s no sin, and I’ll roam the fields and I’ll hunt like the Indian. And I’ll—I’ll live there, a peaceful life, all the

days of my life.” But now it’s...white man’s been there. Where white man goes, sin is with him. He is the biggest murderer and killer of all the people on the earth, is a white man. He’s the renegade of all colors!

83 Here not long ago in the paper (Brother Thom here, from Africa), I seen a piece in the paper two weeks ago, I believe it was, and he said...they said, "If the Americans are still permitted to go to Africa, in ten years from now the great African lion will be completely extinct, the elephants." The renegades shooting just anywhere they can. Picture of two big males trying to hold a wounded male up. Look like tears running from their eyes.

They didn't want the...males didn't want the female to die. And each one holding him by her side, like this, keep her from falling down to her...to the ground. Just shot to pieces.

A guy that shoot anything like that don't deserve to have a gun in his hand. That's right.

You ain't got gumption enough to handle it.

84 Now, a couple of years ago, trying to run some herd, of elk, in to my good friend,

Brother Roy Roberson and them back there, when I was guiding up in Colorado; knowed we had a nice herd. Jeff and I'd had them up there for years and years, about eighty head of elk in the herd. They let some of these office guys out of Denver come out there with these blouse pants on, and laced leg. Them's hunters. Hmm! Here they come up there, a bunch, in jeeps and things like that, got back in our territory there.

85 And I was driving these elk across the mountain behind them, about a mile or two, and they was herding along. You have to keep them thinned out, the big old bulls and things; if you don't, you break your herd up. They're

just like raising cattle or anything. Wildlife should be the same to us. It's not a target. If you want to shoot target they got range out here to shoot them on. That's right. It's a disgrace to butcher up things like that. It's sinful, it's ungodly!

86 And I counted a
hundred and twenty-three
shots out of machine guns,

like, firing it from their shoulders. And the next morning, Brother Banks Wood here with me, went up on the mountain, I counted nineteen bloody beds. Didn't know nothing about hunting; you can shoot a big animal like that, you might hit him deep enough to kill him. And they just turned loose, "bang, bang, bang," shoot one then the other. Why, they'll die. And what'll...After the fever sets in them, if you'd find them they're no good, they spoil

right away; and the scavengers, coyotes and things, eat them up. Nineteen bloody beds, big bulls, hoofs that big around, and blood spurting out two feet where it had been punctured like that with them guns. They oughtn't to allow a renegade like that to have a gun in his hand. That's right. He ain't got the gumption to handle a gun. Oh, it's tremendous, sinful to do like that.

87 That's awful, but that's the American. Canada, you precious people from Canada! If America keeps going on, Canada will be as low-down as America, after while. Get around the borders of Canada anywhere, and you got that American atmosphere. **This**

America is the prostitute of the nations. That's exactly what she is, and she's going to be worse than ever now. She's coming to her end! The Bible speaks of her doom, tells how she's going to be. America: low-down, rotten, filthy, no good. That's exactly right. She's been a great nation. She's carried the Gospel message. What makes her the way she is? Because she's turned down the Gospel Message, and

rejected the Truths. She's horrible. She's got it coming, don't worry. I seen it in the vision as **THUS SAITH THE LORD!** It's coming. She's going to pay for her sin.

88 Back when America was America, she was a great nation. The greatest the world's ever known since Israel, was America, but she sure has polluted herself now. **She's rejected the Message.** She's took

nothing but just...Now she's got herself...You can see where she's at now. Everybody knows that, in the last election shows where her spiritual standing is. Uh-huh. She doesn't know.

61-0108 - Revelation, Chapter Four #3

Rev. William Marrion Branham

***I predict that America, this
year, the United States, this
year, will either receive
Christ or she'll start falling,
from this year***

~ 2 ~

Bro. William Branham

Message: **1956-0408A -**
What Is A Vision?

DATE: SUNDAY
AFTERNOON APRIL 08, 1956
PLACE: LANE TECH HIGH
SCHOOL, CHICAGO IL

131 And I say this, and make this predicting. I'm not saying it in the Name of the Lord, now. I'm saying it, as your brother. I predict this. And listen close. I predict that America, this year, the United

States, this year, will either receive Christ or she'll start falling, from this year. Yeah. This is America's time to repent. And if it doesn't...I predicted that on, I think, about January the 15th or 16th of this year, just feeling led to say it. And it...I've stuck with it.

132 And I looked at the wheels turning up. I notice the great, famous evangelist, Billy Graham, he come back from overseas and he staged his

meetings, New York and these great places, to hit the very nerve center, and so forth. And I see that, Brother Roberts excommunicated out of the foreign country. Mr. Arganbright wants me, after June, and then, to go into Germany, back down into South Africa and through there, but something is holding me to America. And all the others seems to be the same way.

133 And I believe that America is going to get her last call, this year. Right. I'd be daresn't. Look here at the tapes down here. They might be played twenty years from today. See? Have to watch what you're talking about,

watch what you're saying. But I believe that. Now, the Lord hasn't told me that. But I believe that, that America is either going to receive Christ or is going to turn Him down, flatly, this year. And I predict that they will turn Him down. I do.

134 Look what they're doing down in Florida, to Jack Coe. Look what they're doing, all the way. How could they ever...? That's even unconstitutional, to oust a man out of a state. We got freedom of speech. Certainly, we have. But they'll...

135 First thing you know, they'll try to stop all of this. They'll try to quit praying for the sick, and put a "banned" on it. And just remember that: when persecution rises, the Church, It comes to its very heights then. It's always the best. Yes, sir. And God is working it all together.

year is going to be the
changing point of America."***

Bro. William Branham

Message: **60-1113 -
Condemnation By
Representation**

27 I hope I never get to a place that I make myself, before people, as a know-it-all. If I ever get like that, please somebody come and correct me, and straighten me out, and say, "Here, wait a minute." See? I don't want to be like that.

28 But when God says anything, and It proves to be the Truth, I—I like that to be known. Because, it wasn't I that said it. It was He that said it. Now, I was...

29 And as I said last Sunday, I believe it was, here. I been in this pulpit for twenty-eight years, and never one time did I ever mention politics, on no way at all, until last Sunday. And I told you people just to pray before you went to polls and vote.

30 I went down to Brother Wright's, the other day, and I guess he's one of the oldest, he and Brother Roy Slaughter, and a few of those that's knowed me all these years.

And Brother Wright never knew how I voted. He never knew whether I was Democrat or Republican. And that's a second home to me. [Brother Wright says, "We've rode together, prayed together, everywhere, and you never asked me about my vote, nor I never did ask you."—Ed.] It's so insignificant, that's the reason, Brother Wright. [Someone else says, "Brother Bill, I'd say the same thing."] Thank you. Thank you. I

never...No one knowed how I voted. Because, both parties, neither one can brag.

31 But, last week, the reason I was expressing the way I did, there was more than politics included.

32 I'd like to read you a prophecy that was given. I got on...And may...By the way, Mr. Mercier and many of them are going to take some of these old prophecies, and dig them out, and revise them a little, or bring them up to date, and put them in papers. I'd like to read some things that I'd like for you to—to...This one, first. I'd like to read something to you.

33 "1932." Listen to this. "As I was on my way, or as I

was getting ready to go on my way to church this morning, it came to pass that I fell into a vision. Our services is being held on Meigs Avenue, at the old orphan's home where Charlie Kern lives in part of the building." He lives just across the street now, you know. "And it came to pass, that, while I was in this vision, I seen some dreadful things take place. I speak this in the Name of the Lord.

34 “The President which now is, President Franklin D. Roosevelt,” now remember, this is twenty-eight years ago, “will cause the whole world to go to war. And the new dictator of Italy, Mussolini, shall make his first invasion towards Ethiopia. And he will take Ethiopia, but that will be his last. He shall come to his end.

35 “We will be in war with Germany. Watch Russia. Now, that, see, Communism,

Nazism, and Fascism. Watch Russia, but that is not the main one to watch.

36 “It shall also...has been an evil thing done in this country, they have permitted women to vote. This is a woman’s nation, and she will pollute this nation as Eve did Eden.” Now you see why I’m hammering the way I do? I got **THUS SAITH THE LORD**. “In her voting, she will elect the wrong person.

37 “The Americans will take a great beating at a place that Germany will build, which will be a great wall built of

concrete,” the Maginot Line, eleven years before it was ever built, “but finally they will be victors.

38 “Then when these women help elect the wrong person, then I seen a great woman rise up in the United States, well-dressed and beautiful, but cruel in heart. She will either guide or lead this nation to ruination.” I got, in parenthesis, “(Perhaps, Catholic church).

39 “Also, science will progress, especially in the mechanical world.

Automobiles will continue to get like egg-shape. Finally they will build one that won't need a steering wheel.”

They've got it now. “It will be

controlled by some other power.

40 “Then I seen the United States as one smoldering, burnt-over place. It will be near the end.” Then I got, in parenthesis, “(I predict that this will take place...).” Now,

remember, the Lord, that's what the Lord showed. "(But I predict this will take place before 1977.) Upon this prediction, I base, because of the onrushing slaughter that's coming now, how fast that it was moving, how long it'll take till this nation meets its place."

Now, look what happened now.

41 In President Franklin D. Roosevelt, took America to England's tea party. That's right.

Franklin D. Roosevelt

Germany never picked on us; we picked on them. Threw the whole world into a war, that caused the world war. The German's built the Maginot Line. Which, there, any veteran here knows what

she took there at the Maginot Line.

42 Women, given the right to vote, elected President-elect Kennedy, was the woman's vote, the wrong man; which will finally lead to full control, of the Catholic church, in United States. Then the bomb comes that explodes her.

43 There are seven things predicted, and five of them has already happened. So you can judge, yourself, how

far away we are. We're near the end. If them five things happened, these other two things are bound to happen. It's just got to happen.

44 I do not think that Mr. Kennedy will have much effect now, because he'll make a wonderful President, in order to bring in the others, to get a scene set just like they have in England, like they did in Mexico, like they did everywhere else like that. And American people, so unstabled; not spiritually. They're smart, but too smart for their own good. Intelligence swings backward, sometime, and backfires. So

~ 20 ~

they...I'm preaching on that,
this morning, in a little bit.

45 So, we find out, we're—
we're right on the verge.

Reason I said this; that's the reason I pressed that, the other day, so hard the way I did. But it was that that did it, that's right, women's vote. That put...

46 Did you notice the rallies on the television? Nixon to be, pretty near, all men. All of them wanted to kiss Kennedy, the women, jumping astraddle the cars, everything like that, jumping up-and-down.

US News & World Report

First 1960 Kennedy-Nixon Televised Debate: A Recap | National News | US News

47 And now let me bring something else. I haven't got written here, but, on magnetic tape. And this is taped, too. **1956, in Chicago, Illinois, standing at the...that scho-...Lane Tech High School.**

They were there. I said, “This year is going to be the changing point of America.”

I just come from overseas, don't know why I come. Come back, canceled my meetings in Africa and around, come back. Billy Graham,

something mysterious, he canceled his. Tommy Osborn canceled his. And we all, crossing United States, in meetings. **I said, “America will either receive or reject Christ, this year.”**

48 Then I said, when they elected, in Indiana, a twenty-two-year boy...-year-old boy, to be judge. The Spirit of the Lord came on me, and I said, "They'll finally have a President that'll be one of these crewcut, playboy, beatnik-type Presidents, a ladies' man."

49 Now, them is predictions, years ago. See where we're at?
[Congregation says,

“Amen.”—Ed.] It’s later than we think.

50 So, I think that these Messages on these Seven Church Ages is timely. Let’s be in prayer, and study.

51 Now, if you disagree and say, “I think Brother Branham is wrong.” That, you got a right to do that. But, before we do that, before you do, let’s search what the Lord has said, with the Scriptures. See if...

52 And then the prophecies, what was given, that would come to pass, and look and see where they come to pass, or not. Now, it's on tape and so forth. You know I spoke, years ago, and here it is now coming to pass.

53 Mussolini went down to Ethiopia, didn't he? [Congregation says, "Amen."—Ed.] Those poor colored people down there with—with scythes, blades, and sticks, to fight with. And

with him, modern machinery,
he just slaughtered them
down. Come back, blowing
about it, but he met his doom.
That's correct.

1935 - Mussolini invades Ethiopia

54 And Americans...And the Germans built the Maginot Line. And they...And Americans taken a hard beating there, but finally overcome. Exactly right. You veterans, brethren, know that, and you all at the D-Day, and so forth, and when they went in.

55 Now, and you find out then that women, given the rights to vote, and they elected a President that they

should not have elected. See?
That's that fall.

56 And the face of that,
now, we're coming up to this
next meeting coming up. And
be prayerful, and pray hard
now, that God will bless us
and will open our
understandings, that we might
know the hour that we're
living.
