Thank you sir.

I, the humble servant of the Lord Jesus Christ greet you.

God's peace be with you all.

Last evening I did not get a chance to finish my text.

I was—got to a place in the Scripture where I was trying to comfort the old folks.

There was so...Let them know that when we are old God hasn't forsaken us.

He still loves us.

He never forgets us.

He said, "A mother may forget her little baby, but I will never forget you. You're engraved on the palms of My hand."

2 So when we get old, we have nothing to worry.

Someday we'll be back here on earth, young men and

young women, and never to
get old no more. Isn't that
wonderful?

I am so happy for that.

And then while we're here now, He loves us.

And He will never leave us, neither will He ever forsake us.

He said, "He would be with us to the end of the world."

I'm so happy for that.
