

Why It's Wrong For Women To Bob Their Hair?

WILLIAM MARRION BRANHAM

1 Corinthians 11:4-6

4. Every man praying or prophesying, having his head covered, dishonoureth his head.

5. But every woman that prayeth or prophesieth with her head uncovered dishonoureth her head: for that is even all one as if she were shaven.

6. For if the woman be not covered, let her also

be shorn: but if it be a shame for a woman to be shorn or shaven, let her be covered.

1 Corinthians 11:13-15

13. Judge in yourselves: is it comely that a woman pray unto God uncovered?

14. Doth not even nature itself teach you, that, if a man have long hair, it is a shame unto him?

15. But if a woman have long hair, it is a glory to

**her: for her hair is given
her for a covering.**

*Listen what the Prophet
of God said about it:*

***How Will You Get To
Heaven With Short Hair,
When God Said, "It's A
Shame For A Woman To Cut
Her Hair"?***

383 How many women in
here this morning...I say this
in the Name of the Lord
Jesus! How many of you are

~ 6 ~

ashamed of that short hair
you're wearing, want God (by
His grace) to let it grow out for
you? God bless you.

384 How many men are ashamed that you let your wife smoke cigarettes, and wear trousers that actually belong to you?

385 And the Bible said, “It’s an abomination in the sight of God.” **Do you know God can’t change? He can’t change. He has one nature, that’s holiness. He can’t change. If you don’t become like Him, you’ll not see Him, “Without holiness**

no man shall see the Lord.” And if wearing slacks is...makes God sick at His stomach and vomit, He’s sick, and *abomination*, “filthiness,” how are you ever...got a spirit like that in you and will ever get to Heaven? **How will you get to Heaven with short hair, when God said, “It’s a shame for a woman to cut her hair”?** She denies the very principles of being a—wife. God doesn’t change.

~ 9 ~

That's His Word, friend, you better listen.

386 And you men that will
let your wives do that, aren't

you ashamed of yourself?
Aren't you ashamed?

387 Don't be like the First Lady of the land. **Be like God! See? Empty yourself up from this modern trend of the world, so that Christ can pour Himself into you and you can be really filled with the Holy Spirit.**

***They Think Their Body's So
Pretty They Have To Show
It. Don't You Realize That's
The Devil?***

162 Science has come to their end. That's right. They've invented something now that they can blow the whole world up, every one's afraid of the other one. They're at the end time.

163 Civilization, it's got to a place the people...the

pinnacle is swinging backward. People don't act like civilized people. Could you imagine a man wanting to be a beatnik, with his whiskers hanging down like *this*, and his britches hanging off his hips, slopping down through the schoolyard like that (the intelligence of the world that is to come after this, if there is anymore of it), taking little fourteen-year-old girls out, them out on the street?

Ridgway Knight Paris

164 Today, in my motel, there laid a mother out there with not enough clothes on to wad a musket shotgun, and her husband laying out there the same way, and that cold wind. They think their body's so pretty they have to show it. Don't you realize that's the devil? That's right. Stripping their clothes, only the insane does that. Legion did it because he was crazy. Notice! And we have that, but that's called "style," that's

called “modern.” We call it “The devil!” I got the Bible to prove that it’s the devil. It’s devil possession, demon possession (not oppression). Possession, he’s got you! That’s right. Tell them about it? They’ll blow up. They want nothing to do with It! No, sir. They got their own ideas, because at their morgue they go to they never rebuke it. Sex appeal is practiced in schools and in churches, and

~ 17 ~

pastors are afraid to rebuke it,
very seldom anything.

165 Heard a minister the other day, said, “When they invented this blue stuff for the eyes, and—and red lips, they made a prettier world.” A minister of the Gospel, in the pulpit, would make a remark like that, he needs a trip to Calvary. That’s exactly right, when the Bible condemns it!

166 And a Pentecostal group told a sister that (come to the place, crying) because she had her hair done up on the back of her head, with

long hair, said, “Your spare tire might get deflated.” Said, “You must cut that hair off, because that the Bible said she had...in Isaiah, 5th chapter, had round tires like a moon.” Now, how can the Bible say that “a woman does an uncommon thing,” she’s not fit to live with when she cuts her hair, she proves that she dishonors her head, and then long hair...?...How can you make the Bible say something like that? Well,

what's the matter with our Pentecostal women? You've seen too much television! You've seen too much of the world, and not enough of God's Word interests you. Now, the Bible said that. That's what the Bible said. That's not me, now, that's the Bible!

167 Oh, sex appeal! A lady said to me not long ago, I was going on about them wearing these shorts, said, "I—I wear slacks."

168 I said, "That's worse."
You...The Bible said so. He
cannot change.

169 You say, "That's the
Baptist." That's the

~ 22 ~

Pentecostals. I'm talking to
you. That's right. That's true.

170 But what's the matter?
What's the matter? Somebody
let down the bars somewhere.
An old preacher friend of mine
used to say:

We let down the bars, we
let down the bars,

We compromised with sin;

We let down the bars, the
sheep got out,

But how did the goats get
in?

*To Cut Her Hair, Makes
Her A Dishonorable
Woman, A Prostitute*

134 Now look at the—the Laodicean Church Age. She, Eve, is sitting as Satan's queen. "She is rich in worldly goods; blind, naked again, and don't know it," just like it was in God's Eden. But now, not because the Holy Veil is over her face, but the lust veil.

That, she took off God's Holy Veil, and put on a veil of knowledge, for lust. And now she has a lust veil, that she is "blind" to it being sin. She is "naked" on the street, "and don't know it." She's a prostitute on the street. Women with these shorts on, in God's sight, is a prostitute, "and don't know it."

135 Notice, take our women. Now, if you want to see what condition the church is in, watch the way women

~ 28 ~

are acting. She always
represents the church.

In Satan's Eden, of sin and unbelief, a religious perversion; perverted kingdom. Instead of taking God's Word, they have took the intellectual learning of man. And instead of taking the Church, they took the organization, and they're bringing it to one great head.

136 Now notice, perverted from innocence. Don't miss this now. The church has been with this lust veil on. Notice what it's done to her.

It's—it's perverted her from innocence to knowledge. See? The Holy Veil, she was innocent; with the lust veil, she is knowledge. She knows it's pleasant. She knows what it does, see. It's a fruit, a tree to be desired, making one wise. See? She is perverted from innocent to knowledge, from holiness to filth and lust, and from Life to death.

137 This kingdom has to die. This kingdom shall die! The God of Heaven will

~ 31 ~

destroy it from the face of the
earth.

138 Notice, in this perversion, it's become from a man to a woman, and from a woman to a man, "and don't know it." A very good product of Satan's Eden, if you'll watch the streets today, at our modern people.

139 Notice, it was Eve that Satan used to make Adam sin by her power of lust. Now the same, doing the same thing today. Notice, bobbed hair, painted facey, sexually dressed, see, she does that,

and don't know that every one of those things is contrary to the Word of God. **To cut her hair, makes her a dishonorable woman, a prostitute.** To wear shorts, puts her disgracefully. Put sexy dresses on her, makes her a prostitute. "And she don't know it," not because of the holiness of God; because the lust of Satan. She caused her...She causes her Adam to lust for her.

140 She took off the clothes that God dressed her in, back in Eden, for her journey through the—this wilderness. She took them off. She stripped herself down. When, God had her wrapped

all over in skins; she's begin
to shave a little off each time,
now she is back to where she
was at the beginning.

141 Now she has got her Adam to wearing her underneath clothes. A man put on them little old sissy-looking shorts, and get out here, I don't think there is much man to him. He is the biggest sissy I know of. See? See, she has got her perverted Adam to act like she, see, wearing her underneath clothes. She seen what she could do out yonder when she took off all of her clothes but her underneath

ones. That's the shorts.
Course, that's the woman's
underneath clothes, and here
her Adam is wearing them
now.

Which, according to God's original Word, "Is an abomination for a woman to put on a garment that pertains to a man, and a man to put on a garment pertains to a woman," from the original Word. Think of it!

142 Now, he now wears her bangs, also. He combs them down, puts a curler in them. Some of the most sickly sights I've ever seen in my life, is some of those kids out here today with their bangs

combed down like *this*, and colored, bleached hair, with some kind of a peroxide something, and bleach their hair, and rolling it in curlers, making bangs. You big sissy! That's a horrible thing to say from a pulpit, but judgment begins at the house of God. You don't even know whether you're a man or woman. And I understand that our United States Army is coming out next in shorts. That's right. See what the perversion is?

~ 40 ~

It's a woman's clothes; wears
her bangs.

143 The other day I was over, Howard Johnson's; not this one here, but one on the road going out. And I just sat back in amazement. Here come a little boy along, his mouth open. And he had dark hair *here*, and it combed it over *this* a way; and put a roller in it, and curled it up around, top of his eyes; looking out the top of his eyes, going around. If I ever seen a perversion! See, he wouldn't believe it. He could prove

maybe he was male, but in his spirit he is female. He don't know what side of the house he belongs on. That's right. How perverted!

144 That's what Satan does. He perverts the nations. He perverts the church. He perverts the people. He is a deceiver, a perverter of the original Truth.

*A Bobbed-Hair Women Is A
Curse, In The Sight Of God,
Or A Woman That Will Put
On A Garment Pertains To A
Man*

235 The women, today, think, “Well, *this* woman, Susie, she belongs to the church. She’s got her hair bobbed. She wears make-up. Everybody in town likes her.”

236 I wonder about Heaven? See? When it's contrary to the Word, God can't endorse it. He, He would be endorsing against Himself. He would be denying His Own Word. And be it known, God will never do that, though heavens and earth pass away.

A bobbed-hair women is a curse, in the sight of God, or a woman that will put on a garment pertains to a man. See? The spiritual

eye catches It; they live for Hereafter. The natural mind lives to reason the carnal things of the day.

*And God's Bible Warns
Against It, Even Forbids A
Woman To Even Pray With
Bobbed Hair*

223 They cut their hair,
wear the worldly clothes, walk
out on the street like that.

**And God's Bible warns
against it, even forbids a
woman to even pray with
bobbed hair.**

And says that a man...And she does that. She claims, herself, to her husband, that she's immoral, herself, and he has a perfect right to give her a divorce and send her away

from him. That's exactly right. The Word of God saying that, and a women hear that, and continue to wear short hair, and call herself a Christian. If that isn't a neurotic, what is a neurotic? I want somebody to tell me what a neurotic is, then. Yes. They're neurotics.

224 Highly educated, degrees, college! We put more time on educating our children, to—to algebra and biology, than we have to the Bible and Jesus Christ.

There ain't a kid in this country can't tell you who David Crockett is. There isn't a third of them can tell you Who Jesus Christ is. Then, it's not neurotics? Certainly, it is. How we could go on and on and on, how they do!

225 Just remember. And the churches endorse it, when the Bible condemns it. Is the ministry neurotics? Educated neurotics. That's exactly. Churches endorse it.

*And When A Woman Cuts
Off Her Hair, She—She
Absolutely Denies Her
Nazarite Vow That She Is A
Bride To Christ*

146 You said, “Cutting hair,
what’s that got to do?”

Brother, let’s stop here just
a minute. I just feel somebody
resented that. Might have

been out on the wire
somewhere.

Listen. A hair to a woman is
a Nazarite vow.

Hair to Samson was a
Nazarite vow.

And when a woman cuts off
her hair, she—she absolutely
denies her Nazarite vow that
she is a Bride to Christ.

Because, there, that one
thing, she spoils the whole
Picture. Correctly!

A *Nazarite* is “one that is consecrated for a purpose.” Is that right? Samson was consecrated to a age and to a

purpose, therefore he had long hair.

The woman that's a child of God, lets her hair grow, to show that's she's consecrated to every Word of God.

147 If she cuts it off, I don't care how much she dances, sings, is in the choir, speaks in tongues, runs up-and-down, or has all kind of aid societies, she is dead. That's THUS SAITH THE LORD, the

Word of God. First Corinthians 14. Yeah. She has denied her Nazarite vow and sold out to the god of this modern age. She does it. Now, shame on you, lady, or woman!

148 Really catchers of God's sons, like it was. As Jesus said, "As it was in the days of Noah, the women fair, and the sons of God begin to marry among them, so will it be when the Son of man returns." And their god thinks it's great, and pretty, and scientific, knowledge; Hollywood fashion, styled in his own shop, sure, all this here gooey and stuff, you know.

***A Seed Of God Cannot Bring
Forth A Bob-Haired
Woman***

245 Cain was such a person, religious in deed, certainly. But he had the wrong seed in him, see, and therefore it brought forth the serpent's seed. Satan had hissed over this seed of Eden, and that's what brought forth a Cain. He put his poison upon it.

246 He, Cain, knew the perfect will of God. He knew the perfect will of God. Cain knew it. Why? But, he refused to do it, he proved then to be the serpent's seed. When he seen the perfect will of God, he refused it. He had seen God vindicate Abel's message. He knowed that was the will of God. See? He seen God vindicate Abel's message. And what did God say to him? And He just, He said, "Do the same, do

worship like your brother, and—and you'll do well." But you see, he seen the perfect will of God, but he didn't want it. See, he wanted to add something to it.

247 And these theologians see this Bible, they read It, but they don't want to do It. See? It shows the serpent's seed. They have seen It vindicated, and so simply before the people, but it seems like it's so hard for people to humble

~ 65 ~

themselves to the Word of
God.

248 Don't you all find, when
you're talking, you women, to
girls, about wearing long hair,

and they say, “Why you got your hair long?” See? “Why do you wear your skirts down, long?” You go to talking to them, they kind of give you the shoulder. Isn’t that right? See, they know that’s right, if there—if there is any lady in them. See? They know that’s right. But, you see, they can’t humble themselves to That. See, that’s what.

249 See how Cain did? He couldn’t humble himself to the

~ 67 ~

vindicated Word of God. He
couldn't do it.

250 Oh, even the Pentecostal say, “Glory to God! Hallelujah! I cut my hair, and speak in tongues!” Huh! That shows right there there is something wrong, see, the seed is bringing forth something different.

251 A Seed cannot. **A Seed of God cannot bring forth a bob-haired woman. It cannot do it. Just can't do it, 'cause the Bible said**

~ 69 ~

so. See, It can't do it. No, sir.

Now it seems so hard to
humble to God's Word.
