

***You Are Going To
Have To Answer
For Your Wife***

From The Sermons Of
WILLIAM MARRION BRANHAM

But let me tell you
something, mister. You are
going to have to answer for
your wife, but your wife is
never going to have to
answer for you.

74 Now, now, I think that would get that, *man* and *woman*. Now, a woman is...Let me get this in right good now, so you can see it, see. Woman is subject to her husband. And the Bible said that "A man should rule over his wife." But how they've changed that! The woman

rules over the man, “Now, you stay home, John! You’re not going!” And that settles it, “Yes, my dear.” See?

75 But let me tell you something, mister. You are going to have to answer for your wife, but your wife is never going to have to answer for you. You are the head of the woman, and God is the head of man. Therefore He said, “Let the man cut his hair because of Christ. And let the woman have her hair, for if

she cuts her hair she dishonors her husband.” See? You see what I mean by what the Scripture says?

76 I had a hot one on that, down the other day in Shreveport. They was talking about the women, and should women wear long hair. And I said, “A woman that bobbed her hair, her husband had a right and a Bible right to divorce her.” That’s right. That’s what the Bible says. That’s exactly right. Oh, my!

Holy Ghost women sitting there, just the way they been taught, that's all. See? Just, that's slipped loosely.

77 He said, "Now, if they would cut it, if there's something wrong they had to cut their hair," said, "let her take a razor and shave it all off," and make her hair real slick, until it comes out her head. That's right. That's what the Scripture said. And It says, "If she cuts her hair, she dishonors her husband. And a

woman that's dishonorable has a legal right to be put away and divorced." But, he can't marry again, now. But he—but he can put her away in divorcement. That's right. That's Scripture. Oh brother, what we need is some question nights! That's right. That's First Corinthians, the 14th chapter, if you want to read it. All right. Now, that—that...Now, this woman...

59 You say, “You’re always talking on our women, about our women.”

All right, men, I will comb you down once then. Let me tell you something.

Any man that will let his wife smoke cigarettes and wear shorts, I got little respect of him even being a man.

He's so sissified he don't even know what he belongs to. He ain't a man. That's right. Oh, hallelujah. That's right. He's a poor excuse for a man.

Oh, he may be six foot tall, weigh two hundred pound, but that don't look like a man to me.

That shows who's boss around your house.

She will stomp her foot, "I will tell you right now," and

you'd bow down like you was a sick kitten.

What's the matter? We need... What we need today is men. We need Gospel preachers.

And any preacher that will stand in the pulpit and hold back on those things, I got little respect of him being called of God. Right.

A man that's ashamed to stand in the pulpit and tell the God's truth, when he knows it's an immoral thing for a

woman to cut her hair... The Bible...

A man's got a right to leave his wife and give her a divorce when she cuts her hair. The Bible said so. Who's the head of the woman? Her husband.

And the Bible said, "If a woman cuts her hair she dishonors her head." No dishonorable woman should be lived with. Amen. She cuts off her glory.

And so does the church. When she does the same thing she cuts her glory stream off. Um. Oh God, why do I say these things? But it's truth.

No, we don't—we don't need compromisers. We need men and women who will stand for justice and right and tell the truth, regardless of what it is. Amen. The seal of God...

Trim your lamps, my brother. Let the light of the

Holy Spirit burn out again, fresh. It's getting dark. Oh, it's such a horrible time. It's getting dark.

781 Listen here, the man is the ruler. Don't you think you'll rule the house. You're not the ruler of the house. You're absolutely...You're not a slave now, but you're a helpmate. And Adam...

The man has the rule over his wife, and he's responsible solely for his wife.

God makes the man answer for his wife.

*How can you be a
tender at the House of
God when you can't
even control your own
house?*

76 Do you know, ladies,
that it's wrong to wear slacks?
Do you know that?

Do you know it's wrong to
cut the locks of your hair off?

Do you know it's wrong,
mister, for you to continue to
smoke and act the way you
do?

Do you know it's wrong for
you not to be the husband of
your house, your wife get a
little temper spell and kick you
out the door and you say,
“Yes, bless your heart, honey,

I'll come right back"? Do you know you...

How can you be a tender at the House of God when you can't even control your own house? That's exactly right.

Do you know, sister, that your husband is not only your husband, but he is your ruler? God said so.

Because that the husband was not deceived, the woman was deceived. And you preachers will continue to make women pastors and

preachers in your churches,
knowing that the Word of God
condemns it.

Verse of the Day

Genesis 3:16

***Unto The Woman He Said, I Will
Greatly Multiply Thy Sorrow And
Thy Conception; In Sorrow Thou
Shalt Bring Forth Children; And
Thy Desire Shall Be To Thy
Husband, And He Shall Rule
Over Thee.***

*And Some Of You Men
Will Get That Wishbone
Out Of You And Get A
Real He Man Backbone
In You And Make Your
Wife Straighten Up*

43 And some of you men will get that wishbone out of you and get a real he man backbone in you and make your wife straighten up. Spank that little old daughter of yours running around there on the street, and some man insult her and then you go around and want to have the man arrested. You ought to have a whipping. You're the guy, you brother. That's right. You're the one.

You ought to be the ruler of the house. God's holding you responsible the way you're letting that girl do: Let her come in of a nighttime her hair all mussed up and a cigarette and paint all over her face. I got two. I don't know what they'll do, but one thing, brother, as long as I got life, and a barrel slat's

laying close, I'll do my part. Yes, sir. Yes, sir. I believe that they ought...

44 You talk about the illiteracy of Kentucky, brother, you all got a long ways to go before you come up to them up there. That's right. Let one of them gals come in like that and watch what that little old mammy with that little old sunbonnet on will do. She'd say, "Get yourself over here with a hickory limb, brother." I mean she won't get out of the house for three or four days, 'cause she wouldn't be able. That's right. And then you say, "She's crazy."
