- ✓ to live in a camp, make a camp
- ✓ Settle in or establish a camp

THE ANGELS OF THE LORD ARE ENCAMPED ABOUT THOSE WHO FEAR HIM

24 Notice. We're painting an awful dark picture down here. Let's turn our camera up this way once.

Oh, my. Always when there's anything going on down here, there's something going on up there also. There's always two sides to it, you know. When Satan's on the job, Jesus is also. Ever who you yield your faith to, that's the way it's going. Give it to Christ.

Let's look up this way. You know, I can see Him setting up there in His majesty. His priestly robes draped around Him, looking down.

I see coming to His right a great Angel. His name's Gabriel, great Archangel. He comes running up, pulls His sword. He said, "Master, have

You looked down in Babylon? Your people's taking a stand for You down there. The hour has come for them to stand, and they're taking a stand. But that bunch of people there is going to push them into that fiery furnace. And let me go down there. I'll clean that thing up."

I believe He could've done it. Yes, sir. He said He will give His Angels charge over these. And I believe the Angels of God are encamped about those who fear Him.

219 They get down to the river. Oh, it's a great big river, second biggest in the world, about. And so, then, great big river, and swift, and just full of great big crocodiles and alligators. Oh, they were fat. Whew! They had fed them all them little children. They were just fat. And—and she says, Jochebed says to Amram, her husband, said, "Oh, what if the alligators get a hold of it? What if the crocodiles in here touch it?"

220 Said, “Don’t worry. If they ever stick their nose in that tar, they’ll get plumb away, see. That’s the reason it stinks, see. He’ll stick his nose up,” said, “he couldn’t smell human flesh, so he’ll get away. That tar will stink so bad till they’ll run away. It’ll be all right. Don’t you worry.” So they...And there put it down, the little ark. And she said... “Now you nurse the baby.”

221 So the mother takes the baby and nurses it, and she nurses the baby until it gets its breakfast, early in the morning. And then she [Brother Branham makes a kissing sound three times—Ed.] kiss it. And said, “Now, Aaron, you can kiss it.” And Aaron kisses it. And then take it over to Miriam, and she kisses it. And mother kiss it, and, “Oh,” she said, “I just...”

222 “Now, sh-sh-sh! Now listen, we got to be soldiers. See? We got to be soldiers. Now you all want to kiss it again?” All of them kiss it, around, again. Then they put him in there.

223 And mother made the little blanket, and put on it, and little pillow. She put it on there. She said, “My darling little baby, God bless you.”

“Sh-sh-sh! Now, God will take care of that. Don’t you worry.”

224 Closed the little lid down. And the first thing you know, father begins to pull off his coat, take off his shirt. Here he goes, wading out into the water.

225 What do you think is going on in Heaven, about this time? Hallelujah! You know, when things goes on down here, there is something going on up There, too. Amen! I can see God raise from His Throne, walk over, say, “Gabriel! Gabriel! Where are you?”

Gabriel say, “Here I am, Lord.”

226 “Come here! Going to show you something!” Said, “All you Angels come around here, a minute, I want to show you something. I got people that believe Me. Yes, I got people who trust Me. Come here, a minute! It’s good for all you Angels, take a look at this. Look!”

“Where is it at?”

“Right down there. Look out.”

“Yeah, yeah. Yeah, I see it.”

227 “Look right down there. See the edge of them—them—them bulrushes there, them flags and things?”

“Yeah.”

“See there!”

“What is it?”

228 “There’s a man with his hands up in the air, on his knees, calling on Me. There is a crying mother, and two little crying children. They’re trusting Me to the very end. Gabriel, you remember when you went in? You remember that man?”

229 “Yes, I met in the room that night and talked to him. Uh-huh.”

230 “He still trusts Me. I got people that believe Me! I got people that will trust Me to the end!” [Brother Branham knocks on the pulpit six times—Ed.] “See him? Look at him.”

“Yes, oh, isn’t that gallant!”

231 The father is walking in the water, starts to push the little boat out.

I can hear Him say, “Gabriel!”

“Yes, Lord?”

232 “Call ten thousand Angels to the scene. Give them marching orders right away. Call the hosts of Heaven out. Send them all up-and-down, along the banisters of Heaven, and put them all up-and-down the Nile. I command that no crocodile will touch that cargo! Nothing will touch it! Don’t even let a chunk of wood come near it.” Hallelujah!

233 Gabriel said, “It shall be done.” My! He sounded a trumpet! Ten thousand Angels come in arm!

“The Pilot. Where You going to be, Lord?”

234 “I’ll be at the other end.” He’s always on the receiving end. “I’ll wait down at the other end. I got a purpose. When people will trust Me, I have something, a purpose; it’ll be all right with them.” All right, He goes down at the other end.

310 Bless all these little boys and girls around the altar. Bless the mothers and fathers that’s here

this morning. Oh, may Thy loving grace and mercy be upon them all. Forgive us, Lord, of all of our sins and shortcomings. Take sickness from our midst.

311 Send the Angels! Hallelujah! God, You Who commanded Gabriel, and ten thousand Angels went on the march, how many more Angels come around when they seen these poor little children kneel at this altar this morning! All around, over this altar and through this church, stands the Angels of God. The recording Angel is here, taking their names down in a Book. They are losing their soul, so they can find it in Christ! Grant it, Lord.

312 May, from this day, henceforth, their little lives be sweet and humble. May they be obedient children to their parents and to their Heavenly Father, until the day that You call them Home. Guide them in their little bark, down through every whirlpool. Every time it gets stuck in the bushes, may the Angels of God push it off into the flowing currents of God's love. Grant it, Lord. And at the end of the road, may they find a loving Home, and their mother and their loved ones there in Glory, where God stands in the gate to welcome, that day. Grant it, Father.

263 She said, “Now I’ll call him Moses, and he’ll be my own baby. I’ll keep him.” But now she said, “But I’m a maid, I can’t nurse him. I—I—I don’t have no way of feeding him.” They didn’t have these bottles and things then. Women didn’t smoke cigarettes and like they do now, you see, and poison themselves up. So said, “Well, if you know a...” Said, “What—what will I do?” So she said, “I...”

264 One of them said, “I’ll tell you, your majesty, I’ll find a wet nurse for your baby.”

“Oh,” she said, “that’s very good.” Little...

265 Something spoke, an Angel standing there at the bush, said, “Miriam, there’s your chance! There’s your chance!” [Brother Branham knocked on the pulpit eight times—Ed.] Little Miriam ran out. Said, “Don’t you say a thing now, don’t you let on. You got out and say you’ll ‘find a nurse,’ and go get your mother.”

All right, so she said that. She said, “Your majesty!”

266 Now, ordinarily, she’d have said, “What are you doing in here?” But, see, God was covering it all over. Why? He had ten thousand Angels on the march. See? His program is going to work out. He had ten thousand Angels standing there.

102 And there they came out, and He was with them. Now he said...Oh, they had a little basket of bread on their head; it was all eat up and gone. Didn't have any. They went to bed, a little hungry that night. But the next morning when they got up, there was bread laying all over the ground.

103 That's the way God does things; lets you come right down to the last minute, then show you what He can do about it. That's right. He loves to do that. He loves to. He loves to surprise His people.

104 You man like to do your wife like that. Wait till her birthday, just keep her under suspicions, 'cause you love her.

105 That's the reason God lets us come to the end of the road sometime, because He loves us and wants to prove His supernatural and of His power. Because He loves us, that's the reason He does it. Yes. He just lets us get right down to the place where we're just about ready to make the last step, then He steps in the scene.

106 He let the Hebrew children walk right in the fiery furnace, but there was a fourth Man

standing there with a fan, keeping it off of them. See? He is always there. He never leaves. He's always near. "The Angel of the Lord encamp about those who fear Him."

107 There, that night, they picked up that bread the next morning. I can see those Israelites that had just passed through the Red Sea; had just been redeemed by the blood; seen the healing Power of God, or the miraculous Power standing between God...and between Israel and Egypt; and had drown the enemies behind that.

61 We're here, the revival's on. The whole building is being filled with the Angels of God. The Angels of God are encamped about those who love Him (Is that right?), who fear Him?

Now, you that hasn't got the Holy Spirit, stand up also with these people and put your hands on them that wants the baptism of the Holy Spirit. You,

with—with the Holy Spirit, stand up and put your hands on those without the Holy Spirit. If there's a sinner, you stand up also.

As a servant of God, realizing my reputation with about ten million people, I wouldn't say anything wrong for nothing in the world. I believe right now that every sinner can be saved, and every person who's seeking the baptism of the Holy Ghost can be filled right now at this minute. See the signs appearing of His blessed coming?

38 So I said, "Lady, could you tell me what time that—that telegram left Africa?"

She said, "Oh, yes." And she told me when it left. And I went and got the Pan-American chart that I had, and you know what? It was just twenty-four hours from the time that Brother Bosworth

started that telegram over here, the Angel of the Lord beat it here twenty-four hours, and told me to pray for Brother Bosworth. And this... The Angel of the Lord had spoke to me. And time I could get him back on the telephone, the Lord had already healed him, and he's up and going. That's the love in contact.

Oh, brother. You talk about telephone. My, God's got that beat a million miles. The Angels of the Lord are encamped about those who fear Him. And how His marvelous works...

That old man loves me; my, my, he'd lay down his life for me and I would for him. We're brothers; contact.

55-0610 - Do You Now Believe?

Rev. William Marrion Branham

14 Now, let's look at God. Surely, if God is real, as we say He is, something ought to declare Him. If we can just open our eyes, you can see God.

15 Now, like when Geh-...when Elisha was down at Dothan, he had a servant with him, named

Gehazi. And Gehazi didn't see visions, but Elisha saw visions. He would be in his house, and he would know what the king of Syria was going to do.

16 So one day they were...One night they were asleep down at Dothan, and when Gehazi got up early the next morning, he went out, and all the armies of Syria had surrounded the city. And he came running in, and said, "All around, the city is surrounded."

But the prophet, cool, quiet, said, "There's more with us, than there is with them."

He looked around, Gehazi did, he couldn't see nothing. Elisha put his hands forth, and said, "God, open this man's eyes."

17 And when his eyes come open to see the spiritual world, all around that old prophet was Angels. The mountains was on fire with Angels of chariots of fire. See, there's a world right here now; in this building are legions of Angels.

Jesus said in the Psalms, by, through David, that the Angels of God are encamped about those who fear Him.

18 So look at the believers here, those who fear God, so the Angels are everywhere. Now, if you can just worship God, and open our eyes, you'll find out that God is all around us.

200 Jesus even sent His disciples away when He had to contact that woman. See? You ever read the story? Wonder if you ever thought that if you could stand where that woman stood. Wouldn't that be wonderful? You always thought you—you...it would be wonderful.

201 If you only knew, my dear sister, you're standing at the same place. Um-hum. That's right. You're aware, as a believer now, that something's going on. Just since I turned around *this* way and started talking, a real, sweet, humble feeling has come over you. Is that right? If it is, raise your hand up to the people. That's right. Cause between you and I, you probably never seen the picture of it, that Light is just milling between you and I.

202 Now soon, if God will, He will be...Maybe you're in just the three dimensions. This is another dimension. It's moving in on me. But it's a Spirit. You see? It's in another world.

203 People, they're not gone, they're—they're near us; Angels and everything else. "The Angels are...of God are encamped about those who fear Him."

You remember Elisha down at Dothan that morning, when the boy said, "Oh, the S...the armies of the Syrians are upon us."

He said, "There's more with us than there is with them." He couldn't see nobody. He said, "God, open this young man's eyes."

204 And when He opened his eyes, around that old prophet was—was Angels of fire and chariots of fire. Them...There was just...Then there's more with us than there is with them.

205 And that's the dimension now, by being born. Maybe you never will (See?) see such. But you believe it anyhow. "How much greater is their reward who has never seen and yet believe." But some of us were born for that. God places that in the church, from baby birth. Prophets are not just

put in by man; it's a gift borned; all through the Scripture, born from childhood.

55-1115 - Blind Bartimaeus
Rev. William Marrion Branham

32 Oh, hallelujah. But the prophet said, "There'll be a stone laid in Zion, a precious stone, a tried stone." That'll be the anchor. Yes, a wonderful stone... And then God, being God in heaven, with the ladder hooked into His own Throne, He hooked it also in none other but the Son of man, Jesus Christ, the Chief Cornerstone. God don't want His ladder slipping around. He tried to hook it to a covenant with—with Adam; he broke it. He hooked it to a covenant with... broke it.

But God made the covenant unconditionally, and He hooked it into Christ Jesus. There it's anchored; there's no slipping and sliding; there's no way of getting away. What is it? It's hooked by God above and by the Son of God beneath. And what is it? It's a pathway; it's a travelers way from earth to glory. And you can't fail. Look, there's great companies of Angels up-and-down

here, ascending and descending, picking up the weary and the sick, healing their bodies and showing visions and mighty signs and wonders. Can't fail. It can't slip; it can't slide. You're safe. God said so; that settles it forever.

33 It's hooked around the heart of God of heaven, hooked around the Son of God down here, and we're brought into it. Through the Son of God we ascend to Him. Amen. Oh, my. Then what you scared about? Our promise is hooked between God and Christ, and we're in between them, with Angels... He said, "He will give His Angels charge over thee." And the Angels of God are encamped about those who fear Him.

And all up-and-down when we're making this foundation, climbing each day higher and higher, each day brings me one round higher, higher, as I move up, up, up. Anything happens, if I fall along the road or something happens to me, there's a great host of Angels standing there to pick me up. "Come on, we're marching on up towards Zion, on to that beautiful city above."

34 Can't fail, there's no failing in it. It don't rest upon what I do; it's rest upon what He did. Amen.

It's already finished. The believer once anchored in Christ Jesus, coming through the door back there, put on this highway, you can't get any way but straight up to God with it, Angels to take care of you. God made a way of this.

When He seen in the beginning, in our first parent's fall, He seen the covenant He made with Adam; He tried to hook the ladder into him, and it failed. Then there's nothing else He could hook it to, but to bring down His own Son and hook it to Him. So it can't fail now. So what we worried about? What we stewing about? Why we go along, great big long face? Let's look up and grin. Look up, and not only grin, but laugh, not only laugh, but raise up holy hands everywhere, giving praise and glory to God, for His promises is yea and amen, not yes and no, not yes and no, but yes. There's no no in it. Yes.

35 Our foundation stands sure. Foundation of God... God laid in Zion the cornerstone. There we are, can't slip, can't slide, can't move. Then we come into the door, through Christ, put on here. Oh, we may have our ups-and-downs along; that's true enough, sicknesses and troubles. But remember, there's a great company of Angels all

along the road, bear thee up any time. Taking you on up when you fall. Oh, yes, He's there. He promised it. And He had to make a way of it.

So the only way He could make was the Cornerstone, the precious Stone, the tried Stone, the Elect. And "The Name of the Lord is a mighty tower: the righteous run in at it and are safe." That's right. Safe, nothing can bother you any more. You're in the Rock. It's not whether you hold now; it's whether the Rock holds. And the Rock's done held, so then you're—you are safe. Nothing can harm you, nothing can come to you unless God permits it.

193 I want you to bow your heads, everybody, join with me in prayer.

194 Dear Heavenly Father, as this poor little girl...Life is so short. Now she's a young mother. I know, a while ago, when she raised her hand, every sin was taken away. God, Your Bible is a

witness of that. You spoke It from Heaven, that, “He that would believe, would receive.”

195 Now, she has got an awful struggle ahead of her, Lord. And Satan would throw her, up yonder, and take them babies away from her, and set her in the insane institution, to butt her head against the wall. But she come to the right place, today, to the altar. She come to the house of the living God. She stands here, as it was, alone, at the altar, but not alone. The Angels of God are encamped about. The Holy Ghost is near, too. And she’s a witness of seeing many things happen, and know that You are God. And I pray that, with all my heart, with all my soul, that, this day, that You will help Ora May.

102 Once more, before we pray. If there’s any that has not raised their hands, and wants to be remembered in this prayer, will you put up your hand. God bless you, brother. God bless you, brother. God bless you, brother. God bless you,

brother. God bless you, sister. God bless you, brother. That's right. All right. God bless you, sonny boy. Now, He sees you. There's a record taken right this morning.

103 You mark my words. If you class me, and, which, by honor you say it, and by love, you class me to be God's seer. Remember, this is on the books of Heaven. He is present. Wouldn't you like to live where you're conscious that the unseen world is right with you all the time? To realize, when you walk out here and get in your car, Angels take their positions by the side of you. When you walk up yonder to that man, so unlovely to you, that the Holy Spirit is standing right above you, and Angels all around you.

"Is that right, Brother Branham?"

104 The Bible said so. "The Angels of God are compassed, are camped about those." They don't go back to Heaven; they camp there. They're sent on missions to watch you through life's journey. Oh, isn't that wonderful?

56-0617 - Revelation, Book Of Symbols
Rev. William Marrion Branham

88 And that's the way it is, tonight. God lets His Angels have watch over us. "The Angels of God are encamped about..." They don't go back and forth; they stay here. I like that. "The Angels of God are encamped about those who fear Him."

I can hear Gabriel say, "But, Lord, where are You going to be at all this time?" Huh.

"I'm going to be on the receiving end, down at the other end." He will be down there to receive it when it gets there.

89 And there's where He's standing, tonight, on the receiving end. He is standing on the portals of Glory, on the receiving end, to receive His children. And someday, when life is over, He will reach down and wind the end of that highway of holiness around His hand, give it a big pull. And when He does, where she broke here, He will lift every saint right back up into that realm of Eternity

again, and she'll roll on through the ages. He's on the receiving end.

90 What you scared about? Afraid He won't do it? Yes, He will. As sure as there's a God of Heaven, He will do it. And He's on the receiving end. Oh, my. Look at it!

56-0621 - The Law Having A Shadow
Rev. William Marrion Branham

94 Jesus said, "These things that I do, shall you also." Then is God's sworn covenant true. Is His sworn covenant true? Then what we got to be worried about? Jesus is here. His Spirit is here. We're in a... What happened just now? I went into another world. It's an unseen world. We become so conscious of looking at one another like this. But there's a unseen world; and you... It's greater than anything you can see. And here's Christ.

In this world, in this building here are evil spirits and war. And Christians anointed, and the

Angels of God encamped about them trying to energize them with faith.

And here I am standing here just yielding myself, and the Holy Spirit's a moving, and this is what you call heavenly places in Christ Jesus. But remember, Satan's always skeptic at the sons of God. You know, he always does that. Someone with a skeptic idea, when they do that, just he's trying to interfere. But Christians always overcome.

61 Now, Lord, realizing that standing near, there's perhaps many, many Angels, 'cause there's believers here, and the Bible says, "The Angels of God are encamped (not going back and forth, but they're encamped) about those who fear Him." Many more are being called from glory tonight to encamp around those who've raised their hand, to teach them the way of life, how they should live. They've raised their hands to Thee, Father, recognizing that they're not in fellowship with Thee. They've been out of fellowship, and they

so desire tonight for fellowship. And I pray, Father, that in Christ's Name, that You'll receive each one tonight into Your own beloved Kingdom. Woo them by the Holy Spirit, and fill them with the Holy Ghost, and give them Eternal, Everlasting Life.

Call them out, set them in a ministry, and give them special jobs in the great vineyard of God. If it's a little housewife, Thou knowest where to put her. If it's a man in the office, or in the plant, You know just where to put him to do the best work. Man on the street, out on the farm, You know just where to put him. Thou knowest all things, and to place positionally, where to place them. So, Father, we pray that by the works of the Holy Spirit this night, that You will place them into Your Kingdom, many that raised their hands.

232 O God, how we thank Thee for this! This is glorious in Thy sight. It thrills our heart to see men and women who will kneel humbly at an altar, and

confess their wrongs, and plead for mercy. Take them through, Lord.

233 Your anointed servants, the ministers of the Word, are standing by the side of these people, and I'm standing here by this sacred desk.

234 This is a wonderful moment. The Angels of God has stuck down their camp, along the side of this place, tonight. For it is written in the Word, "The Angels of God are encamped about those who fear Him."

235 And in the great unseen world, that now is around us, stirring our emotions to repentance, and to bring evil before our eyes, that we have done wrong. With penitent hearts, we surrender our evil ways, Lord, and ask for Divine mercy. And may the Holy Spirit, Who has promised us mercy, give it to each of us, as we humbly beg and ask God to fulfill His Word, and to mold our lives and our character to fit His Word. We ask in Christ's Name.

74 Right in this building now is many, many Angels. You say, "Is that the Scripture?" That is the Bible. Let me show you. How many Christians are here, raise your hand? All right, you may put them down. The Bible said that, "The Angels of God are encamped about those who fear Him." Then, there is Angels here!

75 Then Christ said, "Wherever two or three are gathered in My Name, I'll be in their midst." Then, He is here! The only thing it is, you can't see Him, but by faith we believe it.

57-0421e - And Their Eyes Were Opened And They Knew Him

Rev. William Marrion Branham

590 "In the veil." The veil is the flesh. The veil is what keeps us from seeing God, face to face, in this church. The veil is what keeps us from seeing the Angels at their positions this morning, standing by the seats. The veil is what keeps us from seeing Him. We are hid behind the veil, and that veil is the flesh. We are sons and daughters of God, we're in the Presence of God, "The Angels of God are

encamped about those who fear Him.” We’re in the Presence of God, all the time. “I’ll never leave thee, neither will I ever forsake thee. I’ll be with thee always, even unto the end.” But the veil is the flesh, that’s what keeps us out of His Presence. But through the soul, the Spirit, by our faith we know that He’s watching us. He is standing by us. He’s here now.

591 Down at Dothan, one morning, an old prophet was surrounded by an army and his servant went out and said, “Oh father, the whole country is surrounded by the aliens.”

592 And Elijah raised up, and said, “Why, son, there is more with us than there is with them.”

593 Well, he batted his eyes and looked around. He could see nothing.

594 He said, “God, I would that You’d open his eyes, take away the veil.” And when the veil dropped from over his eyes, around that old prophet was chariots of fire, the mountains was on Fire with Angels and chariots. There you are.

595 Oh, then Gehazi could say, “I—I understand now.” See, the veil dropped. There is where the hindrance.

57-0915m - Hebrews, Chapter Six #3

Rev. William Marrion Branham

22 Men who deal in the supernatural, who stay in the Presence of God, and when you see God’s program turned down, and you preach it, and you try your best, and do everything that God tells you to do, and still they walk away from it, it’s heartbreaking. God Almighty has done enough here in Angelus Temple this last week, till it had Los Angeles set afire. No wonder He said, “It’ll be more tolerable for Sodom and Gomorrah in the day of the judgment.”

And the poor little fellow, skinny, laying there and his gray hair hanging over his shoulders... God said, “My servant needs some rest.” God’s mercy to his servant, He just laid him down on the bunch of weeds and he went to sleep.

I'd imagine there was ten thousand Angels watching him sleep. There's one assurance the believer has, though the world turned him down, yet God loves him. The world may call you holy-roller; they may call you fanatic; but if you're true to God there's one sure thing: God loves you, and His Angels are encamped about those who fear Him.

23 I'd imagine on every limb, all around through the place, was swarms of Angels. And God came down, and He said, "My poor little tired servant. He's so nervous and tore up, he don't know what to do. I want to pick out the Angel standing here that's got the softest hands. Don't you scare him; walk over and stroke his brow right easy. And I want the best cook among you, and go up there, and get all the vitamins that you can find, and put in this corn meal. The world's turned him down, but I'm going to treat him right." Hallelujah. That means "praise our God." Don't get scared of that.

"Bring forth the best that we got; cook him a corn cake and set him down some water." And this soft-handed Angel went over and stroked the little servant of God on the brow.

Remember, if you've done your best, God's still got those Angels in order. He loves you just the same as He loved Elijah.

24 And he stroked his brow, and Elijah woke up. And I may hear him say something like this, "The Lord your God Who loves you... You done your best, Elijah. I only sent those signs for a witness, that in the day of the judgment, they'll have to stand it alone. I... You done just as I told you to do. I know you're tired and weary now. And the Lord God, Creator of heavens and earth has sent Me to feed you this bread and this water."

Elijah, rubbing his eyes, raising up, little frail shaking hands, took a hold of the bread and eat it. Just then the great Angelic choir come out, formed a little panoramic around him like that, and begin to sing the songs, like no mother could coo her baby to sleep. Let him sleep again. Then Father turned around and said, "You know, I love him so much; the journey is great. He has got a lot to go through with yet. I'm not through with him. So I must feed him again."

So He called the Angels, and dumped in another big bundle of vitamins, and cooked up

another corn cake, and set him a cruse of water, and stroked his brow, and fed him again.

25 I'm so glad that there is a juniper tree, when we get all wore and tore up, we can go under that juniper tree and find spiritual vitamins to travel any kind of a trip.

There he laid. Woke up feeling a little better, and he went forty days and forty nights. I'd imagine if there's a doctor a listening in, wouldn't you like to know what kind of a vitamin he used, that'll keep a man on a corn cake and a glass of water for forty days and forty nights. That's the power of our God.

31 Many times and every time, that a man ever done anything that's worth anything, he walked alone with God. But we think we have to have some great something around us to secure us. The believer has, that company of angels, the Holy Spirit is accompanied about. The angels are encamped; they don't move; they stay right with

them, those who fear the Lord. They watch for every move.

One time a prophet was down at Dothan, Elisha, and the Syrians had come in, compassed the whole walls around. And when Gehazi got up and looked out, he said, “Oh, look at the Syrians.”

And Elisha, the old prophet, rubbed his eyes and looked around, said, “Why, there is more with us, than there is with them.” Gehazi looked around and said, “I don’t see nothing.” Maybe many of you didn’t last night, but that old colored lady did.

Said, “Lord, open this boy’s eyes.” And when God opened his eyes, all around that old prophet was angels of fire, and the mountains was on fire, and chariots of fire. Sure, he walked out there and smote them blind, not physically blind, spiritually blind. They couldn’t understand it, “You say you’re looking for Elijah?” Said, “Come on, I’ll show you where he’s at.” Led them right into ambush. Oh, yes.

53 Heavenly Father, Thou did see the great host of hands that's been spread up towards the skies. And I'm sure that the recording Angels are standing near. For I know that You're near. And You said, "The Angels of God are encamped about those (They don't leave; they just stay there. They make camp there.) about those who fear Him, and love Him."

And now, Lord, I pray that You'll receive each one of them, as the fruits of the message tonight, and may they be peacefully and faithfully take it—Your Life.

And in that day when death strikes, whenever it may be, may the Angels of God bear their soul across Jordan to the other side into the bosoms of God, where they'll be kept forever. Grant it, Lord.

59 But you can't do that on little creeds and loose feathers, a little sensations. You got to be

absolutely the—a real made up eagle with something inside of you, that tells you that Jesus Christ is the same yesterday, today, and forever, that knows that He's standing omnipresent, and He watches over you. Nothing can harm you. No coyote can get you. There's nothing can harm. The Angels of God are encamped about those who fear Him. Ten thousand may fall at your right hand, and a hundred thousand at your left hand, but it'll never come near you. He watches over His heritage day and night.

“I, the Lord, have planted it. I will water it day and night, 'less some should pluck it from My hand.” God's heritage, an eagle.

13 One day a group of devils met Him in a man by the name of Legion. And they had been used to overcoming everybody, so no one could even pass their way. They would go out, and so possess this poor man, until he would beat and

break chains in two. And the law could not do nothing with him. And when those devils come on him, he could even break chains, because that the devil give him that kind of a power.

I wonder tonight, you in the cots and in the wheelchair, if a man so anointed by the devil has three or four times his own human power, what could a man do anointed with the Holy Ghost? He could...?... them closed wheelchairs, and get going for the glory of God if the anointing of the Spirit of the living God comes on him.

And this Legion that would possess that man... "Do you say then, Brother Branham, is there legions that come to the righteous?"

The Bible said that, "The Angels of God are encamped about those who love Him."

21 Now, if you notice, these ones was at the tomb, early in the morning. They met two Men, which were Angels in shining apparel, which said

unto them that He was... “Why seek ye the living—the living among the dead?” They had went to the tomb and found that He was not there. And They asked this notable question, “Why are you seeking the living among the dead? And He said, when...These things He told you, when He was yet in Galilee.”

22 Now, maybe you might just read over the top of that, but let’s study that for a moment. He said, “He told you these things when He was yet in Galilee.” Why didn’t they understand it? Why didn’t they get it?

23 And here’s another great significance to it, that, these Ones who told him this, or told these disciples, was at the grave. They must have been with Him also in Galilee, for They knew what Jesus had told them before His crucifixion. Oh, what a blessed thing! You see, those disciples didn’t know those Angels were there, but They evidently was there, because They said, “Did not He tell you this while He was yet in Galilee?”

24 And that fulfills what the Scripture said, that, “The Angels of God are encamped about those who fear Him.”

31 We are looking for a City whose Builder and Maker is God. When this old robe of flesh we'll drop and rise and seize the everlasting prize, and shout while passing through the air, "Farewell, farewell, sweet hour of prayer." That's what we look for. We look for the day that when we'll be delivered from this old body of corruption. And it'll not be slavery any more, but we'll be in the arms of Him, and in the care of Him, and in the image of Him Who loved us and gave His life for us, that He might wash us by the Waters through the Word to make us presentable in the Presence of God. His presence goes with us; the Angels of God are encamped about those who fear Him.

And we know that He's here tonight. And if we, all the days of our life, we serve Him in holiness, but we're slaves to Him. If you haven't become a slave to God yet, to Christ, a bonds slave in His love, let us bow our heads, and you think it over just a minute.

Would you be free from your burden of sin?

There's power in the blood, there's power in the blood;

Sin's stains are lost in this life-giving flow,

Oh, there's wonderful power in the blood.

Thank you. Let us remain standing just a moment while we pray. How many would like to be remembered tonight in prayer? Would you just let it be known as you lift your hands. Let us bow our heads now as we face Him.

Our Heavenly Father, we are asking permission, as we come in the Name of the Lord Jesus, to approach Thy throne of mercy. We would by no means want to stand at the throne of judgment, but at the throne of mercy; for it's in this mercy by His grace that we come, thanking Thee first for—to be alive in here tonight. Oh, how Satan would desire to take us quickly from the scene right in the midst of the battle. But the Angels are

encamped about those who fear Him, and we're so thankful for this. And I'm so glad for a fresh experience of knowing the reality of His promise.

55 Do you believe? Are you in that Refuge? You have a right to every privilege that God has, if you're in there. You believe that? Are you happy to be in this Refuge? Can you just set back and let off the pressure? Say, "Thanks be to God; I finally made it. I am here by the grace of God. I'm in the safety zone. Nothing can harm me now. I'm protected by the Blood of Jesus Christ. A company of Angels are around me."

"The Angels of God are encamped about those... (They don't leave; they stay there day and night.), are encamped about those who fear Him." And you have a Refuge. You can come into It, and every privilege... And what a time it is to be in this Refuge, and have fellowship with Him.

I believe if we would ask Him tonight, if we could have a little fellowship with His Presence, I believe He would do it for us. Don't you? I believe He would.

75 Now listen, church, I love you. And I want you to listen to me now. As Brother McCullough used to say, "I'm going to say something." Always put the Lord before you, and don't you do nothing that you wouldn't do in His Presence, because He's watching over you. See? The Lord is encamped about those who fear Him. He don't...He just stays right near you. And He knows everything you're doing, and you must recognize that. When you start to tell a lie, don't do it, remember, God is listening at you. If you start to do a little cheat, don't you do it, God's looking at you. If you start to take His Name in vain, don't do it, God's listening at you. Start to smoke a cigarette, He's watching you. See? His...We used to sing a song, "All along on the road to the soul's true abode, there's an eye watching you; every step that you take, this great

eye is awake, there's an eye watching you." Remember, do like David, put the Lord always before your face. Then your heart will rejoice and your flesh shall rest in hope, for He promised it. Yes, sir. He knew that he would raise up because God had promised it. All right.

76 When we come into His Presence, we're changed, never to be the same. Look all down through the ages, of every walk of life, at man. Look at Abraham. You say, "Well, the changed life is just for ministers." Oh, no. The changed life is for everybody. See?

103 You know, it used to be, if a woman or a man said they was a Christian, people respected it. But, today, they just like to see how much fun they can make out of it. See? See? Irreverent group! My!

Why? You know what? This is the reason. They're not conscious that That's the Truth. They're

not conscious of God. They don't remember that the Bible says, that, "The Angels of God are encamped about those who fear Him." They don't only just come and visit them. They, They stick their Tents down. Amen. "The Angels of God are encamped about those who fear His Name," stay there day and night.

The old colored brother sang that song, *The Angels Keep Watching Over Me*. Said, "All day, all night, Angels keep watching over me." That's right. "All day and all night, Angels keep watching over me."

104 Jesus said, about, "Them little ones," said, "take heed that you don't offend one of them, for their Angels always beholds My Father's face which is in Heaven." See? They're always camped about, watching those.

105 And they don't even believe that, ungodly people. We're going to get on, "What godliness and ungodliness is," in the morning, if the Lord willing. Now notice, they don't even believe that. They've lost all decency, all respects, all reverence, and yet go to church. The most

irreverent bunch there is, is them that goes to church. That's right.

106 An old bootlegger or moonshiner coming down the street, passing around, and half drunk, you talk to him about the Lord, he'll stand and talk to you.

Some of those moss-back, so-called believers, church members, will laugh right in your face, 'cause you don't belong to their denomination. That's right. Certainly. They're irreverent. You think you have to belong to their little clique or you don't even live on their side of the road. See? It's the truth. Irreverent!

107 Now, these Angels, when They're in God's Presence, They was...

Believe that David said. Remember, we had here, a few nights ago, when I was preaching on something. And he said, David said, "I place the Lord always before me, that I shall not be moved. Moreover," he said, "then, when I do that, my flesh shall rest in hope." Yes, sir. "Because I know what...He will not leave my soul in hell,

neither will He suffer His Holy One to see corruption. For, the Lord is always before me.”

108 Wherever you go, place God. If a man gets angry and cusses you, place God between you and him. If a guy calls you a holy-roller, place God between you and him. If the wife gets angry with you, place God. If the husband gets angry, place God. If the children aggravate you, place God. See? Whatever you do, place God. If papa and mama gives you a little spanking and corrects you, place God, remember what God said about that. “Bring up a child in the way it should go.” See? Always remember, place God. Put God before you, and you’ll have reverence for God and respects for Him. That’s right.

58 And I said, “Again, the Scripture said this, that, ‘the Angels of God are encamped about those who fear Him,’ so in another world where the five senses does not declare.”

59 The five senses only contacts this world. If you had no feeling, you couldn’t feel nothing. Feeling wouldn’t be nothing to you; that would be another world. If you had no sight, what you look at would be another world, you know nothing about it. So these five senses is the only thing that God let us loose to.

60 Now there is another one called faith. But by faith you walk up a ladder, and finally you can get so high until you break into another world, which is vision. There you can see.

61 Just like if you never knowed what this was you was feeling with your sense of feeling, never seen it; then your eyes come open, you could see it. It'd be all a mystery to that person who never could see. It'd be a mystery to him, but yet that's it.

183 What did Jesus do, to do it? He made a public testimony. When, Satan could not die for sins because he was the sinner. He's the father of sin. But, Jesus, the innocent One, God of Heaven, Who didn't have to die, come down and made a public testimony by dying, lifted up between heavens and earth. A public testimony; stripped His clothes off of Him, and hung between heavens and earth, in shame. And died, a sinful, shameful death, to redeem us. A public testimony! Amen.

184 What did He do? Kicked off His own righteousness; kicked off His own glory. Kicked... "I have power. I'd speak to My Father, and straightway He'd send Me twenty legions of Angels." They could change the course. One Angel could have done it. He could have called for twenty legions. That'd a been about forty thousand Angels. What could they have done? He said, "I could speak to My Father, straightway, that's right now, He'd send Me twenty legion. Legions of Angels will come here and take this over." What would one do? One would destroy the earth, in a second. Just look, He had thousands could have come. See? But He kicked that off. He laid that

aside. He laid all of His dignity, everything, aside, and become a sinner and died for you and I.

81 Jesus said, "Wherever two or three are gathered in My Name, I'll be in their midst." Then that makes Him in a world that we cannot see, that our five senses doesn't contact. Jesus Christ is here, present. If we could be conscious of that!

82 And, remember, not only here, but when you're walking down the street, wherever you are, you that profess to be believers and fear the Lord, remember, the Angels of God are moving with you wherever you are. They watch everything you do, every thought that goes through your mind, and They know all about you. Therefore, we must be conscious of that.

83 If we're not conscious of it, then you act any way. So people mostly, today, too many people, are not conscious of the Presence of the Lord Jesus, that's the reason (they) we have these things that we have going on now, that's not right.
