

**Shut yourself off  
from the rest of  
the world and get  
alone with God**

And **when you become a Christian, how you long to get in the Presence of God.** There isn't a person in here that's ever had an experience with God, but *what the greatest joy of your life is when you can get just alone a little while with God, just cut loose every shoreline, and get in the secret closet, and close the door, and lift up your hands and just come into that communion.* **Oh, there's something about it that's marvelous.**

I've got in there and you have too, and **just kneel down and weep and weep till you just couldn't stand it no more, just**

**saying, “God, I—I just can’t—I just can’t stand no more of it.”**

24 **So in that time of fellowship and communion, that’s where God spoke to me. *That’s the way we want to just get into the spirit of it.*** You like to pray through and get in the Spirit? That’s the only way you can do it. **Shut yourself off from**

**the rest of the world and get alone with God. *And the reason that you like to do that, because when the first couple came on earth, Adam and Eve, that's what they did.***
